

A ROAD TO BETTER HEALTHCARE- WHAT'S YOUR VIEW ?

Come along and find out more about a ten-year
vision for healthcare services in Hounslow.

Civic Centre, Lampton Road.

19 May 9.15am to 1pm.

Will I be able to visit my GP at the weekends ?

Will some hospital services be delivered
closer to me ?

Will these changes mean waiting times
are reduced ?

Will there be an improvement in the quality
of healthcare I receive ?

This is the first in a series of events to find out
what you want from your local health services.

A Road To Better Healthcare -

What's Your View ? is an opportunity for you to hear about the future plans for healthcare services in the borough. It is also the first in a series of events that are being planned to find out your views on what you want local health services to deliver.

Speakers at this event will include:

- Tara Donnelly, Chief Executive of West Middlesex University Hospital
- John James, Chief Executive of Hounslow Primary Care Trust
- Ian Kent, Director of Local Services at West London Mental Health Trust.

This series of events is being organised by the Adults Health and Social Care Scrutiny Panel, in the context of a wider consultation that is currently taking place across London on the proposals in Healthcare for London: A Framework for Action. This sets out NHS London's vision for what health services will look like in the capital over the next 5-10 years.

To ensure that any changes to the way in which services are delivered in Hounslow take account of local needs, we want to make sure our local health service providers hear about what is important to you. So come along and share your views.
