### C-card Training dates to be announced

Level 3 Training on 14<sup>th</sup> July has been confirmed as **BWISE2 Sexual Exploitation** aimed at Professionals working directly with young people about the risks of Sexual Exploitation. The training was developed by Barnardo's using real life cases of young people who have been exploited sexually in different ways, for example, through gang initiation or older boyfriends.

You will learn more about how young people are exploited sexually, how to talk to them and use materials, you will be given a BWISE2 sexual exploitation pack to take away with you to use in your work with young people

C-card training has been arranged for professionals able to provide condoms to young people in their place of work. C-card training will cover the C-card scheme, how to assess a young person and how to use condoms in your work. You must have completed or be booked onto Level 1 training to attend this day.
