Cells in this table have been randomly adjusted to avoid the release of confidential data

** Excludes working at home; no fixed place of work; working at offshore installation; working outside UK

*** The distance travelled is a calculation of the straight line between the postcode of place of residence and postcode of workplace

For the purposes of this table; public transport is defined as Underground; metro; light rail or tram; train; and bus minibus or coach.

The final two columns show the number of people who travel to work by public transport who live in a household with/without car or van.
