Cells in this table have been randomly adjusted to avoid the release of confidential data.

* Area is as at census day 29 April 2001

** 'Number of students away from home' is the number of students and schoolchildren in full-time education who would reside in the area were they not living away from home in term-time.

*** Care must be taken when interpreting intercensal population change, as there have been changes in definition between 1991 and 2001 counts have been adjusted to account for the under-enumeration.
