Statement of Reasons

Proposed waiting restriction in Mogden Lane, Trevor Close & Wood Lane, Isleworth

The Council is proposing to introduce 'at any time' waiting restrictions in the Wood Lane near the Nishkam School to prevent obstruction caused by parked vehicles thereby improving safety and sightlines for motorists and pedestrians.

Furthermore, as consequence of repeated missed collections of refuse and recycling, it is considered necessary to prevent parking along the length of Trevor Close every Tuesday between 7am and 12pm due to its very narrow width of carriageway. This is to ensure that the refuse and recycling collection vehicles can access the properties at the northern end of the close and reliably make the required collections
