STATEMENT OF REASONS

Proposed disabled parking bays & disabled permit parking bays

The proposed Order:

(a) introduces additional disabled and disabled permit parking places is being considered to assist holders of the blue badge to park nearer to their place of residence and minimise walking distances. In all cases, the existing parking situation means that it is virtually impossible to park close to their home and this causes much distress and discomfort and this should resolve these difficulties.

(b) removes existing parking places as these are no longer needed by the original applicants.
