Please note that these figures relate to the financial year 2010-11 (April 2010 to March 2011) which is slightly different to the municipal year 2010-11 which commenced in May 2010. As there was a council election in May 2010, there are more than the usual sixty members of the council included in this list as it reflects payments to all people who were members during the financial year.
