

Appendix 3 - Community projects recommended for funding from S106, Local CIL or the Leader's Green Fund

Item No.	Applicant	Area	Project Summary	Amount to be allocated in funding year 2017/18	Comments	Funding Source	Delivery Body
1	Ward Members	Borough wide benefits	Local Authority New Years Parade 2018 competition	£10,000	The council considers that the Theatre operators are excellent tenants who we should support. They are admirably self-sufficient and have a genuine community ethos.	Section 106 - Reallocate £10k from scheme 216 (agreement H115), Clause 1	Feltham Arts Association
2	Waterman Arts	Borough wide benefits	Match funding for creative people and places.	£5,000	The council considers that this project benefits a greater number of residents/businesses and project will join up activity and skills development.	Section 106 - Allocate from Scheme 216. Agreement H115, Clause 1	Waterman Arts
3	Royal British Legion	Borough wide benefits	Installation of Royal British Legion flags throughout the borough	£4,700	This is an initiative that is supported by the Mayor and Councillors.	Section 106- scheme 216 (agreement H115), Clause 1	Royal British Legion
4	Butts Farm Estate Hanworth Methodist Church	Bedfont, Feltham and Hanworth	Butts Farm Estate Hanworth Methodist Church - to create a space for community use by extending the coffee bar and make the front glass so that people are drawn to it, and the area can become a central meeting point for people in the area, where they can also access the many things that are going on in the building.	£100,000	The council supports this initiative which seek to provide a community space. This is secured in a legal agreement	Section 106 - scheme 485, Agreement L86, Clause 1	Butts Farm Estate Hanworth Methodist Church
5	Hanworth British Legion	Bedfont, Feltham and Hanworth	Replacement of disabled Toilets at the Royal British Legion Club (RBL) The RBL organise a number of autism friendly and learning disability events.	£2,200	The council support this project as there is a real need for former Armed Forces personnel / retirees/ those transitioning from the services, many of whom have life changing disabilities. This will allow them to utilise a space and alleviate isolation.	Section 106 - scheme 352 , agreement G77, Clause 5	Hanworth British Legion
6	Age UK Hounslow	Bedfont, Feltham and Hanworth	Community Wheelchair Service and Storage Provision of an external wheelchair storage facility ie secure metal container as our move will no longer afford us the space to store existing wheelchairs but we also need to replace some existing chairs ie self propellant and attendant wheelchairs as well as purchase additional wheelchairs to meet the increasing community needs. This is a service for older and vulnerable adults. We would wish to now offer a new home delivery and collection service in addition to the current service.	£5,000	The council supports initiatives that assist carers and support workers in the borough.	Section 106 - Allocate £2000 from scheme 352, agreement G77, clause 5, reallocate £3000 from scheme 352, agreement G77, clause 5.	Age UK Hounslow
7	Ward Members	Bedfont, Feltham and Hanworth	Pop-up museum in Feltham to facilitate the history & heritage of the West of the borough	£6,000	The Council supports this historic and heritage community proposal, this is also recommended in the Feltham Masterplan which the council is keen to deliver.	Section 106 - reallocate from scheme 216, agreement G77, Clause 1	The Council - Regeneration Department
8	Ward Members	Bedfont, Feltham and Hanworth	Sparrow Farm Drive parking issues - improvements to the estates parking around the school : This is a formal communication on behalf of Sparrow Farm Drive, Feltham TW14 communities regarding daily parking issues. This issue became intolerable due to people parking anywhere and blocking the safe road system. Our community never experience this kind of issues in the past years. We have noticed due to increase number of house extension the owners are renting houses for further income. However, no one actually managing the total impact on the communities. The issue could cause minor accident to major accident.	£2,000	The council supports this initiative from a safety perspective.	Local CIL	The Council -Traffic and Transport Service
9	Ward Members	Bedfont, Feltham and Hanworth	The Hermitage - 1) joint funding to extend the height of the brick wall at the front of The Hermitage (to prevent fly-tipping) (2) Parking issues: this may be able to be addressed through the provision of a pavement and double yellows, perhaps funded through CIL.	£2,000	The council supports these proposals pending further assessment.	Local CIL	The Council -Traffic and Transport Service

Item No.	Applicant	Area	Project Summary	Amount to be allocated in funding year 2017/18	Comments	Funding Source	Delivery Body
10	Feltham Arts Association	Bedfont,Feltham and Hanworth	Arts Programme of 24 sessions This project will provide weekly arts sessions at Edward Pauling House, across the year and be advertised through the Happy and Healthy in Hounslow, 60+ programme promotions. The workshops will lead to inspiring exhibitions and showcases or public artworks for their venue. Artwork produced will also feed into and contribute to the Feltham Festival 2018. We want to respond to the ideas and needs of Hounslow's older residents and encourage them to have an increased say in the design and development of project delivery. Feltham Arts staff will meet at the beginning and midway through the programme with the participants and then employ excellent artist practitioners who will bring the beneficiaries ideas to life.	£1,399	The council is in support of this project. Due to the limited amount of CIL in the area , the council is unable to fund the entire application for £2400.	Local CIL	Feltham Arts Association
11	Age UK Hounslow	Bedfont,Feltham and Hanworth	Providing a raised garden area at Southville Community Centre Providing a raised garden area to enable older people and those with mobility issues and wheelchair users the ability to garden. Seeking funding for materials, soil and plants.	£2,000	The council consider this to be a good initiative which will enable the less abled to use the centre.	Leader's Green Fund	Age UK Hounslow
12	Ward Members	Bedfont,Feltham and Hanworth	The Council sees Bridge House Pond as a Heritage, Community and Environmental hub in the heart of Feltham. As a community group, we have developed a phased masterplan to restore and improve the pond and garden areas, to celebrate the heritage of the area, and ensure that there are a range of facilities for all ages, so it is a place where the community come to relax, play, meet others and walk through. Full details of the proposals can be seen here: https://drive.google.com/file/d/0B-4QRFyKkb6eVGVVclFiTTU4VTA/view?usp=sharing Priorities for 2018 include safe and improved play area (with broken items fixed, new facilities and a fence), a 'garden area' and improved signage.) Longer term aspirations include a new cafe.	£20,000	The Council consider this to be a rgood community project which will benefit a greater number of residents in this area, the council consider fencing as a priority for the overall project.	Leader's Green Fund	The Council - Regeneration Department
13	Ward Members	Bedfont,Feltham and Hanworth	Grosvenor Park Feltham A much needed investment in the children's play area in Grosvenor park Feltham. Much of the existing facility is now subject to serious dilapidation including the basketball court and wall, swings and former play wire. The area attracts ASB from youths who often congregate there in the evenings especially during the summer. Many residents have complained about how the park, despite the football clubs that use it, has fallen into disrepair and a shadow of its former self. With a little thought and investment we could restore this area and this would feed into our civic pride agenda which we have pursued since 2014.	£45,000	The council consider this to be a good community project that benefit a greater number of residents in the area - costing not provided but will require around £45k	Leader's Green Fund	The Council -- Park and Leisure Service
14	Green Feltham	Bedfont,Feltham and Hanworth	Feltham Environmental and Heritage Signage The restoration of the Feltham Heritage Trail, including sign boards, maps and leaflets. The introduction of new sign boards and maps along the Longford River to support education and learning.	£20,000	The council supports this project as it is a good example of heritage interpretation.	Leader's Green Fund	The Council -Traffic and Transport Service
15	Ward Members	Central Hounslow	The alleyway is between Kingsley Road and North Drive. Improvements required include a new fence, lighting (and perhaps CCTV), and environmental improvements	£30,000	The council support this community initiative from a safety perspective.	Section 106 - reallocate from scheme 216, Clause 1	The Council -Traffic and Transport Service
16	Feltham Arts Association	Central Hounslow	Hounslow Older People Creating Together Arts Programme of 24 sessions providing weekly arts sessions at Frogley House & Greenham House and an Older Peoples Festival 2018 Event	£2,600	The council supports this community initiative that improve resident's wellbeing, reduce isolation and connect people to the wider community.	Local CIL	Feltham Arts Association
17	Resident	Central Hounslow	Community Project to stop fly tipping Gate and fencing in Clipstone Road. The community has raised the majority of the funds and are seeking the shortfall to enable the commissioning of works	£360	The council support this initiative especially as the community have proactively fund raised the majority of the costs themselves.	Local CIL	Community
18	Trinjan Fitness	Central Hounslow	Trinjan: Fitness & Wellbeing Run dance, table tennis and board game sessions for women from the local community. Engage them into fitness & wellbeing activities. These activities would lead to agile mind, flexible body and happier being. It would give them ample opportunity to socialise, make friends and they will not feel lonely. It would also bring women from different backgrounds to mix and mingle for community cohesion.	£604	The council supports this community initiative that improve resident's wellbeing, reduce isolation and connect people to the wider community.	Local CIL	Trinjan Fitness
19	Age UK Hounslow	Central Hounslow	Remembering Your Roots Providing a raised garden bed area to enable older people and wheelchair users to have a garden area to manage.	£604	The council supports this community initiative that improve resident's wellbeing, reduce isolation and connect people to the wider community.	Leader's Green Fund	Feltham Arts Association

Item No.	Applicant	Area	Project Summary	Amount to be allocated in funding year 2017/18	Comments	Funding Source	Delivery Body
20	Resident	Central Hounslow	Highways Street Tree Planting Street trees planted in Durham Road, as many trees have been removed in the road and surrounding area.	£7,500	The Council consider this to be a good project and more discussion with Hounslow Highways on the locations is needed. The council will commit between £1,500 to £7,500 for trees in this location.	Leader's Green Fund	The Council -Traffic and Transport Service
21	Ward Members	Central Hounslow	Street trees on Ellington Road, TW3	£7,500	The Council consider this to be a good project and more discussion with Hounslow Highways on the locations is needed. The council will commit between £1,500 to £7,500 for trees in this location.	Leader's Green Fund	The Council -Traffic and Transport Service
22	Resident	Central Hounslow	Derelict building at Beaversfield. The current area is just a remains of structure that has had severe fire damage and attracts drug use/ human fouling etc.	£30,000	The council consider this to be a good community project that benefit a greater number of residents, it would provide a useful building to allow Friends of Beaversfield park to use as a venue for meetings etc and provide a presence in the park.	Leader's Green Fund	The Council - Park and Leisure Service
23	Holy Trinity Hounslow	Central Hounslow	Youth work partnership project Help young people in the centre of Hounslow to access a safe place and receive positive engagement and offering a service that will make links between disengaged young people and local services that will support their development. The Warehouse Youth Centre, based at Holy Trinity Hounslow, can also serve as a hub that can host youth intervention programmes that will explore the following: • CV writing workshops • Social education programmes • After school drop-in sessions • Signposting to local services • Engagement with hard to reach young people	£7,500	The council supports this initiative as it aims to bring positive change in young people.	Section 106 - allocate from scheme 481, Agreement S101 Clause 13	Holy Trinity Hounslow
24	Ward Members	Chiswick	Turnham Green painting restoration.	£2,600	This is an initiative that has had the commitment of Councillors and Head of Finance	Section 106 - reallocate from scheme 352, Agreement G77, Clause 6	The Council - Heritage Team
25	Chiswick House & Gardens Trust	Chiswick	Chiswick House & Gardens Hoggin Paths Restoration To restore the historic hoggin paths within this Grade 1 Registered landscape so that they are safe for the community to use, beautiful to look at and to ensure the upkeep of the park to a standard in keeping with the Estate's historic and cultural importance.	£15,000	The council support this restoration from a safety perspective.	Section 106 - allocate from scheme 466, Agreement B131, Clause 4	Chiswick House & Gardens Trust
26	Ward Members	Chiswick	Improvements to Silverhall Park (request was for £40k).	£37,633	Project supports the council's priorities.	Section 106 - Allocate from Scheme £37,633.11 from scheme 493, Agreement W29, Clause 4	The Council - Park and Leisure Service
27	Strand on the Green Association (SoGA)	Chiswick	Strand on the Green Association Interpretation Panel A panoramic sign showing sights / people / events relative to Strand on the Green.	£2,000	The council supports this initiative.	Local CIL	The Council - Traffic and Transport Service
28	Ward Members	Chiswick	Stamford Brook park in bath road Chiswick needs at least six new park benches. Following a storm some years ago a number were smashed and never replaced.	£2,000	The council support the replacement of the benches.	Local CIL	The Council - Park and Leisure Service
29	Strand on the Green Association (SoGA)	Chiswick	Provide a wooden picnic table and bench in newly planted area of trees in Strand on the Green Recreation Area (off Thames Road) - funds being sought £650.	£2,000	Approved but officers suggest that the figure would be closer to £2000 needed for purchase and installation of a good quality picnic bench and park bench	Local CIL	The Council - Park and Leisure Service
30	The William Hogarth Trust	Chiswick	Mulberry Garden Grant request for accessible paths and new planting. The Mulberry Garden Project will establish a new Learning Studio and reinvigorate the garden to create a vibrant local garden celebrating Hogarth's inspiration from nature. Accessible paths will allow visitors of all ages and those in wheelchairs to easily access the gardens. Varied planting will educate local people about the area's market garden history, encourage biodiversity and demonstrate how forms of plants, such as lilies and cyclamen, inspired Hogarth's art. As the garden forms the curtilage of a Grade 1 listed building using appropriate and complementary materials is of high importance.	£25,000	The council would consider investing £25k to support the works at the garden.	Leader's Green Fund	The William Hogarth Trust

Item No.	Applicant	Area	Project Summary	Amount to be allocated in funding year 2017/18	Comments	Funding Source	Delivery Body
31	Friends of Chiswick Common	Chiswick	Improvements around the piazza on the south side of the Turnham Green railway bridges, in the North East corner of Chiswick Back Common. Proposed improvements include: -new paving - new seating - new planting (flower beds and trees) - upgraded bins - rationalisation of other street furniture (posters, flagpoles, bollards etc.) -improved lighting This is an area which is used daily by hundreds of people passing through or lingering to socialise or eat their sandwiches; commuters, shoppers, local schoolchildren, cyclists. Tourists come to see the site of the Battle of Turnham Green of 1642.	£25,000	Cost of works proposal thought to be low and does not include commuted maintenance sums or officer fees to progress. A realistic costing would be £50,000. The council advise that the applicant prioritises which projects can be covered with the approved funds. Recommendation for part funding with the suggestion of crowd funding the rest as it's a visible project that people could buy into.	Leader's Green Fund	The Council - Traffic and Transport Service
32	Friends of Turnham Green	Chiswick	Water supply for community rockery The Friends of Turnham Green would like to install a water point near the rockery on Turnham Green. The rockery was developed by The Friends with support from Hounslow Council and Groundwork Thames Valley about five years ago. Although we plant mainly drought tolerant varieties, there are times when we need to put in new plants or bulbs and the ground is just too dry and hard for them to establish well. This	£6,000	Approved subject to agreement with the FoTG on on-going maintenance	Local CIL	The Council - Park and Leisure Service
33	Ward Members	Chiswick	Restoration of historical, drinking fountain located on the edge of Chiswick back common by Turnham Green terrace by bike racks.	£2,000	The council welcomes this restoration of this interesting piece of local history, community fountains are seen as a good community asset.	Local CIL	The Council - Traffic and Transport Service
34	Ward Members	Chiswick	Remedial works (health & safety and lifecycle) to Chiswick Town Hall that pre-date and fall outside Fusion's contractual responsibilities.	£20,000	The council welcomes the upkeep and continued maintenance of listed buildings generally and particularly those in our care.	Local CIL	The Council - Heritage Team
35	Chiswick Pier Canoe Club	Chiswick	Chiswick Pier Canoe Club Improving Club Access We wish to continue with our mission of introducing people to paddle sports and using the Thames for recreation. This project aims to expand our reach by helping us increase our capacity to run taster sessions for new or potential members and increase awareness of the club. Specifically it will: Help support the training of club coaches (£1,000 to support five people through British Canoeing level 1). Provide marketing material, including enhanced website (£500 for hosting and new leaflet/poster material). Refresh of our boats and equipment (£1,000 to replace paddles and an additional beginners Kayak).	£2,000	The council supports improving access to active facilities for residents	Local CIL	Chiswick Pier Canoe Club
36	NHS Property Services	Heston and Cranford	Heston Health Centre - Clinical Room Conversion Seeking funds to cover the project shortfall of £2,498.92 (previously received £32,959.00 of S106)	£2,499	The council has previously committed to the refurbishment of the Health Centre and consider that the applicant has demonstrated that it is value for money to cover the project shortfall	Section 106 - scheme 431, Agreement H133, Clause 7	Heston Health Centre NHS Property Services
37	Ward Members	Heston and Cranford	Sutton Playing Fields seating provided and tarmac footpaths.	£40,000	The Council consider that the this funding would be best used as a gravel running track for walking and running and improvements for the Playground with site seating £40K	Section 106 - scheme 486 Clause 3	The Council - Park and Leisure Service
38	Resident	Heston and Cranford	Community clean - up	£1,000	The council supports this initiative as it is good value for money and benefits a greater number of residents.	Local CIL	Community
39	Ward Members	Heston and Cranford	Cranford could do with more trees on the rectory estate.	£7,500	This project has been successful for funding pending approval of location by the estate management. The council will commit between £1,500 to £7,500 for trees in this location.	Leader's Green Fund	The Council - Traffic and Transport Service
40	Heston Resident's Association	Heston and Cranford	Heston Resident's Association Replacement perimeter fencing for the Heston graveyard on Heston Road.	£7,000	The council supports this initiative as it is good value for money and benefits a greater number of residents using this area.	Section 106 - reallocate from scheme 199, Agreement G97, Clause 1	The Council - Park and Leisure Service

Item No.	Applicant	Area	Project Summary	Amount to be allocated in funding year 2017/18	Comments	Funding Source	Delivery Body
				£15,000		Leader's Green Fund	
41	Ward Members	Heston and Cranford	Trees behind Firs Drive and Hawthorn Close that are under the conservation order require work to be done on them e.g. Trimming	£1,500	This project has been successful for funding pending further assessment.	Leader's Green Fund	The Council - Park and Leisure Service
42	Heston Resident's Association	Heston and Cranford	The Green, Heston To replace metal fencing on pavement boundary of site, much of which has been removed	£0	This work is currently being commissioned. And \$106 funds had already been allocated in July 2016 SMD	Other	The Council - Park and Leisure Service
43	Ward Members	Heston and Cranford	Benches have been requested for Avenue and Waye Avenue parks.	£0	Projects is currently being progressed	Other	The Council - Traffic and Transport Service
44	Westside Boxing and Alliance Dance Unit	Isleworth and Brentford	Box Dance - Westside and Alliance Dance Unit - Offer young people diversionary activities for young people and in so doing diverting them from crime, and anti social behaviour, it provides an opportunity to engage in physical activity and promotes health and well being.	£7,500	The council consider this a good community project, which has been operating on a local estate for over a year (Ivybridge) The project has delivered excellent results for those hard to reach groups, including those indulging in drugs (Hard and soft). A good outreach program.	Local CIL	Westside and Alliance Dance Unit
45	Cultivate London Limited	Isleworth and Brentford	Salopian Garden The garden is oasis in the heart of Isleworth, offering residents of all ages and abilities a space to relax, breathe cleaner air, meet new people, and learn new skills. It also provides them with access to affordable fresh food. Our schools programme is an important part of increasing access to this space. The training environment provided by the garden is unique, offering many ways to engage people in hands-on, outdoor-based learning, something many urbanites lack access to. Seeking funds to cover the costs of delivering this programme, in order that we may offer this valuable training free of charge to local schools, ensuring as many local young people as possible can benefit.	£9,000	The council consider this a good project which provide a positive supplement to the curriculum for pupils in Hounslow schools. With pressures on school budgets, funding by a school for such activities is a luxury. Funding for this project would mean that all schools in Hounslow would have access to the project free of charge. We welcome the opportunities and benefits that this will provide to mainstream pupils but also apprentices and young people with Special Educational Needs and those with mental-health issues. This organisation has a good reputation for delivery of projects.	Leader's Green Fund	Cultivate London Limited
46	Ivybridge link	Isleworth and Brentford	Refurbishment of the Bridgelink Centre	£40,000	The council consider this a good community project which offers a range of invaluable support for local people and the centre would benefit from the requested refurbishments and upgrades. Residents deserve a good quality and safe space which they can visit to access services and support. We would consider safety as the priority here.	Local CIL	Bridgelink Centre
47	Hounslow Community FoodBox	Isleworth and Brentford	Improving access and community area The project involves enhancing the home delivery service across the London Borough of Hounslow for clients in need and developing the community area and building to improve opportunities and facilities for training and community activities. The project involves paying volunteers to facilitate the home delivery service using their vehicles to those residing further than 5 miles from Brentford who have no money for food so	£8,000	The council consider this a good community project. The council recommends the community garden space as a priority over the home delivery element of the proposal as the organisation has previously applied for volunteer costs.	Leader's Green Fund	Hounslow Community Food Box

Item No.	Applicant	Area	Project Summary	Amount to be allocated in funding year 2017/18	Comments	Funding Source	Delivery Body
48	The Mulberry Centre	Isleworth and Brentford	Building Reconfiguration at The Mulberry Centre Since the initial building of The Mulberry Centre in 2001, the number of individuals affected by cancer that we support has increased considerably from approximately 270 new registrations in the first year to over 2,000 people registered for our support 2015-16. To respond to this need, the number of volunteers and members of staff have increased – however, our building has remained the same. A grant from the Community Infrastructure Levy would allow us to initiate the first phase of our building project, which would be the reconfiguration of our existing structure, enabling us to increase capacity and therefore increase our support services at the Centre. The Mulberry Centre has drawn up a two part building project which would enable us to expand without impacting on the haven that we provide.	£48,640	The council consider this a really good, worthwhile community project which offers support to individuals including residents affected by cancer.	Local CIL	The Mulberry Centre
49	Feltham Arts Association	Isleworth and Brentford	Hounslow Older People Creating Together Arts Programme of 24 sessions providing weekly arts sessions at Danehurst House and an Older Peoples Festival 2018 Event	£4,000	The council supports initiatives that improve resident's wellbeing, reduce isolation and connect people to the wider community.	Section 106 - scheme 352, Agreement G77, Clause 6	Feltham Arts Association
50	Hounslow Men's Shed	Isleworth and Brentford	Foundation of Hounslow Men's Shed at Isleworth Cemetery Refurbishment of chapel and mortuary buildings including installation of electrical power and lighting, repair of roofs and stained glass windows and conservation of grade II buildings.	£30,000	The council is supports this heritage project, the council recommends that the roof is prioritised making the building safe and any remaining funds to be spent on the electrical works.	Local CIL	Hounslow Men's Shed
51	Trees for Cities	Isleworth and Brentford	Trees for Cities is working with Hounslow Council on developing a Community Orchard project in Isleworth. We will be working closely with the local community who will help plant fruit and nut trees to create two beautiful orchards in Redlees and Thornbury Parks. We are currently searching for potential match-funding options for the project and I think the Hounslow Community Grant sounds like a perfect fit for this community-led project, which aims to bring people together, reconnect people with nature and improve health and wellbeing in the local area.	£3,500	The council supports this project as the tree planting project is part of delivering Redlees Park masterplan.	Section 106 - reallocate £3,500 from Scheme 396, Agreement N19, Clause 1	Trees for Cities
52	Green Dragon Primary School	Isleworth and Brentford	Sun Shade Project - Provide sun shade for Nursery, Infant and Junior pupils so that our pupils can enjoy being outdoors while remaining out of direct sunlight during the hottest hours of the day.	£45,000	The council supports this project as it supports health and well being in young children.	Local CIL	Green Dragon Primary School
53	Worple Primary School	Isleworth and Brentford	Early Years Play Area - New outdoor learning through play facilities for the Early Years (Reception & Nursery).	£3,000	The council supports projects that promote health and wellbeing as well as being value for money.	Local CIL	Worple Primary School
54	Ward Members	Isleworth and Brentford	Quakers Lane (between London Road and the Great West Road) Sympathetic measures to improve the safety and environment of this popular shortcut in Syon and Osterley & Spring Grove Wards.	£20,000	Support in principle, would require further feasibility works. The council are happy to part fund this initiative and recommend the prioritisation of the safety aspect of the project.	Local CIL	The Council - Traffic and Transport Service
55	Ward Members	Isleworth and Brentford	Redlees Park changing room improvements.	£100,000	The council supports this project which is also a council's corporate priority	Section 106 - reallocate £100,000 from Scheme 267, agreement U1, Clause 3	The Council - Park and Leisure Service
56	Westside Boxing Gym	Isleworth and Brentford	Westside Boxing Gym The project is to offer Boxing and Dance to residents/youth.	£55,000	The council consider this to be a good community project which has a lot of local members supports as it benefits a lot of young people in the area.	Section 106 -allocate £55,000 from Scheme 345 agreement B90, Clause 12	West Side Box Gym

Item No.	Applicant	Area	Project Summary	Amount to be allocated in funding year 2017/18	Comments	Funding Source	Delivery Body
57	Air Quality Brentford	Isleworth and Brentford	Planting on the grassy slope outside Brentford station at the end of Orchard Road, near the Kings Arms pub, Station Road, Brentford. This grassy slope is currently uncared for and attracts rubbish. It is the entrance/gateway to Brentford when visitors and workers arrive off the train. As residents of Orchard Road we had thought of doing some planting ourselves but it is a big project on sloping ground and one that experts would be better at handling. I have obtained an estimate from Gingko Gardens @ £7,100 + VAT as follows: [Preparation: to dig out all vegetation (leaving trees) £1700 + vat including all removal and disposal Planting: for a mix of shrubs between 3 - 5L stock £4900 + vat We would also recommend incorporation of organic matter, and spraying the area before planting. For the addition of organic matter I would add £500 + vat] This land is owned by SouthWest Trains. I contacted them regarding planting seeds a few years ago and they were happy for us to do.	£7,100	The councils support this project which has value for money and will benefit a greater number of residents/businesses.	Leader's Green Fund	The Council - Traffic and Transport Service
58	Friends of St Paul's Park/ St Pauls Primary School PTFA	Isleworth and Brentford	Improvements to St Paul's Recreation Area Play Area- new play equipment, surfacing and seating Over the last 7 years (since the last partial refurbishment) the park has become increasingly shabby and is now unsafe- with broken equipment being left unrepaired, surfaces getting worn and not properly replaced and some areas being hazards for children to play around. We love this park and use it all the time and want to make sure for all of us local families, plus those who will move into the area, there is a really good multi-age play facility within walking distance of people's homes- particularly those in flats who have no garden or open space of their own for their children. Our plans will include: -putting in a disability access swing and inclusive roundabout - putting in new better play equipment to replace broken or non-functioning equipment -refreshing some of the play equipment already there -eg sanding/painting of swing frames, replacing broken parts where possible (eg zipwire, toddler-rockers) -take measures to secure the safety of the play area including putting in a small wall to protect children from being hit by a large swing, removing old parts of play equipment that are now dangerous, and replacing play surfaces in the park with better quality, sealed in soft-pour -removing a poorly used and poorly surfaced BMX bike track and old equipment and putting in a multi-age "play trail" with synthetic grass -buying additional seating including some picnic tables which are wheelchair accessible, so families can sit together - putting a ball "wall" or cage around the upper area of the playground currently used for football, basketball etc- to allow older children to play there without balls flying over into the smaller children's play area and hitting them.	£100,000	The council supports this project which will benefit a greater number of residents/businesses as it is a busy and popular Park. Fits strategically with Council corporate priorities to enhance our parks and green spaces. It does not have any extra revenue implications to the Council as this is only a small refurbishment project and not a new install .	Leader's Green Fund	The Council - Park and Leisure Service
59	Ward Members	Isleworth and Brentford	Clayponds Play area improvement Increase the size of the play area to include the grassy area to the South West. At present there is no safe play area except on the 'machines'. Plus, improve the grassy area near the Community centre by planting bulbs etc	£5,000	Approved in principal, however, Housing department would need to take on the maintenance of a larger playground and modification work as they currently maintain the facility. Bulb planting is welcomed during autumn.	Leader's Green Fund	The Council - Housing Playgrounds Department
60	Ward Members	Isleworth and Brentford	Banksian Walk Improvements towards restoration and protection of the growing areas and pavement of this heritage route from The Grove to Spring Grove House	£10,000	The council supports this valuable community and heritage project.	Leader's Green Fund	The Council - Traffic and Transport Service
61	Ward Members	Isleworth and Brentford	Rumble strip and collapsible bollard positioned just inside the entrance to St Paul's recreation ground, Brentford (leading off St Paul's Road). This is to act as a traffic calming measure to cyclists (and motorbikes) who can enter the park at speed as well as stop cars being parked.	£5,300	The council supports this from a safety prospective	Leader's Green Fund	The Council - Traffic and Transport Service
62	Ward Members	Isleworth and Brentford	Isleworth Film Festival Contribution towards an initial event to take place in 2018	£5,000	The council supports this popular community initiative which offers good value for money	Local CIL	The Council - Regeneration Department

Item No.	Applicant	Area	Project Summary	Amount to be allocated in funding year 2017/18	Comments	Funding Source	Delivery Body
63	The Isleworth Society	Isleworth and Brentford	A double headed lantern in front of All Saints Church/Butterfield House, Church Street, when HW16/425 (currently with a single lantern) is replaced. This is because this area is extremely poorly lit as the nearest light is affixed to a private property, No. 53; it malfunctioned some 2 years ago and my understanding from Hounslow Highways (Tim Hurley) is that work to reinstate its function are extensive/expensive and the householder has not agreed to the works. In view of the extremely narrow pavements and road at the dark area no alternative site for inserting a column has provided possible, hence the reason one was originally attached to a private property. A double headed lantern it is hoped would at least add a little more light to pathway in front of the church. This is the pedestrian/cyclists route to Syon House, residents of Church Street and the Church also holds various concerts and evening activities.	£700	The council is supporting this initiative from a safety prospective	Local CIL	The Council - Traffic and Transport Service
64	Friends of Cathja	Isleworth and Brentford	Helping yourself Training To use the warehouse and the shop as a training space in managing a warehouse/retail/customer service. With some funding we could Pay people we already have but cannot afford to pay who have the skills we need who can then train others engage a professional to train people on site and/or support people into college situations we are uniquely placed as we work with the vulnerable people both in the shop and at Cathja. We do not have funds to pay for people to go to college or to fund a professional worker who has skills in warehousing, shop fitting, retail etc that can work with people in the shop. Many people that come through our shop are: looking for work unemployed do not have good english are vulnerable are homeless have life challenges have physical issues As they volunteer with us we form a unique relationship with them where they will disclose their issues and it is then we can help them to move forward, whether that is volunteering with us or going to rehab, finding work etc.	£35,000	The council consider this is a good community project that can help vulnerable residents into employment	Section 106 - reallocate £35,000 from scheme 435 agreement N26, Clause 3. Allocate £10,000 from scheme 454, agreement C136, Clause 3	Friends of Cathja
65	Hounslow Arts Trust	Isleworth and Brentford	Hounslow Arts Trust Ltd - trading as Watermans Bell Square Events programme 2018 Bell Square is the purpose-built outdoor arts space in the heart of Hounslow. It's a place where anyone and everyone can come to see some of the best outdoor performers in the world, for free. Featuring anything from circus to dance, from acrobats to illuminated sculptures, the shows aim to delight and inspire people whether they're 4 or 84. Situated at the end of Hounslow High Street, it's a permanent outdoor space - a large square, with seating and standing space, and performances every other Saturday. The programme presents a wide range of events, with performances by artists from across London, the UK and Europe. Now in its 4th year, Bell Square has already built a reputation as one of the most recognised outdoor arts programmes in the UK, and is rapidly developing awareness in Europe – this brings considerable attention and kudos to Hounslow. In recognition of the quality of the events programme, Bell Square is also a member of all the relevant London and national outdoor arts touring networks. These are generally funded by Arts Council England and membership of these networks allows us to bring the best quality artists to our local community, along with substantial investment to the town centre. In 2018, the programme will continue in its fortnightly format. Audience feedback and evaluation refines the choices of projects every year. The programme is currently in development but is expected to include projects such as: • Luke Jerram's beautiful Museum of the Moon, a 7m inflatable, illuminated version of the moon, which will hang over Bell Square. Audiences will be able to relax under the moon, listening to music in the Square • Company Chameleon's Witness This, a dance piece about	£27,385	The council consider this a good community cultural project, which benefits a greater number of residents/businesses	Section 106- re-allocate £29,449.35 from Scheme 352	Hounslow Arts Trust
66	The Isleworth Society	Isleworth and Brentford	Renovation of Entrance pillars and attendance gate of Park Road cemetery One pillar has been hit by a vehicle, and renovation will preserve and enhance long levery of this 1880 built structure; the street scene, which is the route to Grade I listed Syon House grounds and house will be improved as will neglected ambiance of the main cemetery entrance still used occasionally for burial parties to enter and by increasing numbers of visitors in view of today's lively interest in family history research	£18,000	The council support this community project which seeks to improve heritage assets in the area	Local CIL	The Council - Park and Leisure Service
67	St John's Resident Association	Isleworth and Brentford	Improvements to the footpath in St John's Garden The park is used by local schoolchildren as a walk to school route, dog walkers, the local community and residents of a nearby old peoples home (Hatfield house) many of whom are in wheelchairs and have mobility issues.	£40,000	The council consider this to be a good community project which improves access and benefits a lot of residents in the area.	Leader's Green Fund	The Council - Park and Leisure Service
68	Ward Members	Isleworth and Brentford	Isleworth Public Hall Contribution to address dilapidations and help match funding required for renovations.	£16,489	The council supports this project from a safety prospective.	Local CIL	The Council - Park and Leisure Service

Item No.	Applicant	Area	Project Summary	Amount to be allocated in funding year 2017/18	Comments	Funding Source	Delivery Body
69	The Isleworth Society	Isleworth and Brentford	London Road Isleworth Cast Iron Mile Posts : refurbishment of that (a) marked "Heston Parish" 1834 just beyond 661 London Road and the zebra crossing and (b) marked "Isleworth Parish" outside 280 London Road	£12,000	The council supports the maintenance of the historically significant posts.	Local CIL	The Council - Traffic and Transport Service
70	Brentford Towers Residents Association (BTRA)	Isleworth and Brentford	Brentford Towers Heritage and conservation Modernisation of the "Pit" located near Fraser House This is currently used by the children on the estate to play games such as football and basketball, we propose that 'astro turf' is laid down with sufficient lighting making this an area that can be utilised for multiple activities such as summer garden events on the estate making more use of the area by the residents all year round. Also, due to the link of the six houses on the Haverfield estate to the Kew Bridge Steam and Water Museum . we suggest a stone plaque or monument that lists the names of the six towers as you enter Green Dragon Lane for Kew Road, it is fitting that the monument be placed here at the beginning of the estate by Wicksteed House since the Kew Water and Steam Museum is at the beginning of this end of Green Dragon Lane; we propose it is placed by redesigning the "mound" of green near Wicksteed House and car park.	£10,000	The council supports this initiative as the initiatives will benefit the community in many ways including promoting health and wellbeing.	Local CIL	The Council - Housing Playgrounds Department
71	The Isleworth Society	Isleworth and Brentford	Redlees Park Children's Play Area During attendance at a consultation on design proposals for the play area it was indicated that insufficient funding was available to the landscape architects to enable inclusion of new benches, signage and litter bins within the play area hence this request to cover that deficiency	£20,000	The council supports this initiative to improve the play area to promote health and wellbeing in the area.	Leader's Green Fund	The Council - Park and Leisure Service
72	Brentford School for Girls	Isleworth and Brentford	Brentford School for Girls renovate and improve its current Redgra surface (the Redgra surfacing is a blend of fine stone and clay) to a multi-use 3G astro turf surface. The current Redgra takes up a large area of the school site and in poor weather conditions becomes quickly unusable. During both light and heavy rain showers, poor drainage leaves the area water logged, thereby limiting the PE staff and outside providers to the school's indoor areas. costing £294k	£147,000	The council supports this project as it promotes health and wellbeing and intends to benefit the wider community. The council recommends that this initiative is uploaded on the council's crowdfunding platform to raise funds for the remaining funds being sought.	Leader's Green Fund	Brentford School for Girls
73	Ward Members	Isleworth and Brentford	Borough Road War Memorial To commission a plaque recording the names of the fallen of the former Borough Road College memorial to be located within the landscaping at Borough and College Roads. - To create a local virtual archive of Borough Road College associated materials kept by the Brunel University archive.	£0	This project will be delivered from another source of funding	Other	The Council - Traffic and Transport Service
74	The Isleworth Society	Isleworth and Brentford	Renovate/Paint railings in front of Headmasters House - Refurbish and/or where necessary replace, to maintain existing style, railing posts lining footpath in front of Headmaster's House, Park Road, Isleworth. These safeguard the drop of several feet to road level.	£0	Project has been completed	Other	The Council - Traffic and Transport Service
75	The Isleworth Society	Isleworth and Brentford	Environmental Improvements Church Street - Refurbish and/or where necessary replace, retaining existing style, posts/railings/caps edging Isleworth riverfront, Church Street stretching from the London Apprentice to the wall of Ferry House	£0	Project has been completed	Other	The Council - Traffic and Transport Service
76	The Isleworth Society	Isleworth and Brentford	Refurbish/paint all bollards at Church Street Isleworth from the junction with Manor House Way up to and including those at Lower Square.	£0	Work has started on the the painting of the bollards.	Other	The Council - Traffic and Transport Service
77	Ward Members	Isleworth and Brentford	Pedestrian crossing on St Johns Road, Isleworth. To replace the loss of a school crossing patrol.	£0	Project completed, new zebra crossing installed at Grainger Road junction with St Johns Rd to address the loss of school crossing patrol.	Other	The Council - Traffic and Transport Service
