## **Supplementary Statement to Hounslow Health and Wellbeing Board's Pharmaceutical Needs Assessment**

Date Pharmaceutical Needs Assessment published – March 2018

Date Supplementary Statement issued – March 2019

The Regulations state that Supplementary Statements can provide updates to the Pharmaceutical Needs Assessment only in relation to changes in the availability of pharmaceutical services. Supplementary Statements cannot provide updates on pharmaceutical need: this can only be achieved through a review of the Pharmaceutical Needs Assessment. The following pharmaceutical services currently contained within the Pharmaceutical Needs Assessment have been identified as needing updating. This updated information supersedes some of the original information within the PNA and should be read in conjunction with that document.
