

Appendix 4: Community projects not recommended for Local CIL funding in 2019/20

Project number	System ref	Project Name	Applicant	Location of project	Area	Project details	Amount requested from CIL - Funding applied for	Recommendation
BEDFONT, FELTHAM, HANWORTH AREA								
Corporate Property								
1	ANON-GR7R-SKRW-9	Haw Centre for Culture Community Centre	West London Turkish Volunteers	Location not secured	Bedfont, Feltham and Hanworth	The funding will be used for construction and/ or refurbishment of a community centre.	£ 250,000.00	Not recommended Due to concerns around deliverability, the Council would typically support a refurbishment or delivery of a community program where a building has been secured.
Community Programme								
2	ANON-GR7R-SKRT-6	Along with Youth and Children	Age UK Hounslow	The South Ville Community Centre South Ville Road Feltham	Bedfont, Feltham and Hanworth	Improvement of Age UK Hounslow South Ville Community Centre This total cost is of 2 jobs which needs doing and at present there is no heating in the hall. And last year we used portable heaters. But because the roof is damaged and leaking. Heat is escaping.	£ 14,000.00	Not recommended The Centre has previously received CIL funding and due to limited funds, the Council is unable to allocate funds at this time.
3	ANON-GR7R-SKRE-Q	INSPIRE and HELP	Anne Shine Support	St Paul's Church Bath Road Hounslow West Middlesex project can take place in the individual's homes, community centres or place of improvements.	Bedfont, Feltham and Hanworth	INSPIRE and HELP : people with small repairs and improvements around the house. Recycling or up-cycling where possible. Help promote DIY and encourage participation to take part. To make those in need their quality of life a little better. Bring a little sunshine to someone's life. Together we can, where as sometimes all you need is a little help of someone willing to help, a little encouragement and motivation. Most of these home repairs can be done with little to no experience. Costs: Up-cycling and recycling : small items such as painting chairs etc. can be done in the church hall, in a small group classes. Hire of hall Hire of professional, such as qualified Electrician/Plumber etc. when needed Essential Tools box and tools Materials, paint brushes, trays, nails, hammer, paints, masks, fabrics Small furniture and fittings Volunteers food and travel cost	£ 5,000.00	Not recommended The Council requires further information about the location of the program and confirmation of the wider community benefit this project seeks to achieve.
Skills and Employment								
4	ANON-GR7R-SKRX-A	Butts Farm/Feltham Young People Support Project	GSP Education and Training	Butts Farm Feltham and Hounslow Heath Community Centre	Bedfont, Feltham and Hanworth	Provision of community vocational education (primarily in construction) to enable hard to reach residents in Hounslow. Our programme provides a gateway into construction for those who may have not seen the sector as a viable route into employment. We work with Hounslow based organisations to offer employability services that result in access to job vacancies and/or work placements. Funding is sought for: £2700 tutor fees - (108 hours tuition across 12 weeks) £3500 mentoring fees (176 hours outreach/engagement across 16 weeks) £1400 employability/academic/school liaison mentoring (56 hours across 16 weeks) £500 project support materials (construction/refurbishment materials, tools etc.) £1600 venue hire (£100 per week over 16 weeks) £300 marketing/advertising (social media, leaflets, flyers etc.) £1000 administration/coordination fee (60 hours over 16 weeks)	£ 6,500.00	Not recommended The Council currently runs a similar program to deliver construction training to young people in the borough.
Traffic and Transport								
5	ANON-GR7R-SKBT-P	Bus Shelter opposite Bedfont Cemetery	Resident	The H26 bus stop opposite Bed font Cemetery/Bedfont Lakes, Bed font Road, Bed font.	Bedfont, Feltham and Hanworth	Bedfont Road is quite narrow (one lane in each direction) and in bad weather passengers get soaking wet not only from the rain, but also from the puddles gathered by the kerbs and spray from vehicles. The H26 bus is not particularly reliable and one can often wait up to an hour for the bus. In bad weather it is awful, but also during this very hot spell there is no shelter whilst waiting for a bus. A shelter would make a tremendous difference to all who use the bus stop.	Unknown	Not recommended This project has already been delivered by the Council.
Central Hounslow Area								
Corporate Property								

6	ANON-GR7R-SKRG-S	Somali Men	Anti-Tribalism Movement	Hounslow Treaty Centre workshops will take place across the borough estate with large Somali residents such as Iybridge, Convent Way, Brentford, Feltham	Central Hounslow	Empowering the Somali community to engage with stakeholders on planning and regeneration, through training in planning. Project Coordinator= £2,500 per month X 12 months = £30,000 Community champions training for 4 estates 8 training sessions X £500 per training session = £4,000 toolkit development and print £1500 Community events around the estates 4 events X £1000 per event =£4,000 overhead contributions costs including regular desk hire at Hounslow Treaty Centre = £600 per month X 12 months = £7,200 Stakeholders meetings = 4 meetings per year X £500 per meeting X 4 = £2,000 Independent Evaluator £1300	£ 50,000.00	Not recommended The Council does not view the project as having a wider community benefit. It is recommended that the applicant works with the Council with a view to delivering this initiative using the Council's own resources.	
Parks and Leisure									
7	ANON-GR7R-SKBE-7	Making Beaversfield Park fit for fitness and fun"	Friends of Beaversfield Park	BEAVERSFIELD PARK, Rosemary Avenue, Hounslow Middlesex	Central Hounslow	Infrastructure Transformation – "Making Beavers field Park fit for fitness and fun" to include Resurfacing, nets and fencing to tennis court area, resurfacing and fencing to Basketball area and modernizing of access gates and fences.	£ 101,000.00	Not recommended The Council is currently developing a Masterplan for Beaversfield Park and devising a funding mechanism to support delivery. Following the adoption of the Masterplan and once the the funding mechanisms are in place, projects will be prioritised for delivery	
Community Programme									
8	ANON-GR7R-SK44-8	Know how? - Ask me about good sexual health and relationships	Spectra CIC	Variety of locations in Hounslow, these will include West Thames College campuses, Learning Disabilities groups through London Borough of Hounslow Learning Disabilities provision, Heart of Hounslow, Chiswick Health Centre, The Gym Hounslow, and FYOI.	Borough wide	We are seeking funding to deliver sexual health & relationship awareness for marginalised groups - there are very limited services in Hounslow in this area, this project addresses gaps in provision. REVENUE costs: staff salaries, venue hire, travel, training, refreshments, marketing, resources - handouts, safe sex packs, monitoring and evaluation, management & supervision, apportioned overheads. Spectra cannot apply for the Hounslow Community grant as organisations with a turnover of above £500,000 are excluded. The CIL opportunity is one of the few opportunities available in Hounslow for this project.	£ 16,173.00	Not recommended The Council's Public Health Service provide a similar outreach program.	
Chiswick									
Business									
9	ANON-GR7R-SK4D-R	Ready for Business	Works4U	W6 0QU	Chiswick	Ready for Business (RfB) is a one year programme that will enable community organisations to be ready to engage and develop relationships with businesses to support the work they do. Revenue costs only: Staff - £14,820 (work to be carried out by Sofia Pascoal and Dominic Pinkney) Room hire/refreshments = £400 Marketing/promotion = £450 Total: £15,670	£ 15,670.00	Not recommended The Council currently works with local businesses and runs similar programs to support young people into work.	
Community Programme									
10	ANON-GR7R-SKRZ-C	Positive about disability day centre	Positive about disability	Not Confirmed as yet but looking at Chiswick area	Chiswick	Positive about disability day centre 40k on bus for disabled 30k for lift 50 k for disability toilet and hygiene equipment 25k cashflow 30k on sensory equipment	£ 100,000.00	Not recommended Due to concerns around deliverability, the Council would typically support a refurbishment or delivery of a community program where a venue has been secured.	
11	ANON-GR7R-SKR6-8	Community Digital Learning and Awareness Project	Moiotso Limited	Borough wide	Chiswick	Providing creative and digital solutions training	£ 97,960.00	Not recommended The Council currently runs a similar program to deliver digital skills to older learners.	

12	ANON-GR7R-SKBP-J	Entrepreneurship for Kids and Teens	Ultra Education Ltd	TESLA's Flagship UK Showroom 109 Devonshire Rd London W4 2AN AND Metropolis Studios The Power House, 70 Chiswick High Rd, London W4 1SY	Chiswick	Entrepreneurship for Kids and Teens Project Costs Table (A) Amount requested from Neighbourhood CIL (£'s) Space rental at The Granville £1,040.00 Staff Time £7,800.00 Materials/Equipment £2,000.00 Marketing/Advertising £3,000.00 Refreshments £2,000.00 Travel (for additional voluntary) £800.00 Support with children's businesses £1,000.00 Project Manager £3,000.00 TOTAL £20,640.00	£ 60,900.00	Not recommended The application does not set out how the project would meet the needs of young children and teenagers in Hounslow. The proposal also lacks the support of the Local Authority's Education service and is not considered value for money.	
Parks and Leisure									
13	ANON-GR7R-SKBG-9	Drinking fountain on the embankment footpath of Dukes Meadows	None local residents	Near the bandstand on Duke's Meadows Chiswick	Chiswick	Purchase and Installation of a drinking fountain on the embankment footpath of Dukes Meadows	£ 12,000.00	Not recommended The Council is in support of this initiative and has included this location in the 'Drinking Fountain's for London' bid for funding. Should the bid prove unsuccessful, the Council recommends applying for funding in the next round.	
14	ANON-GR7R-SK4A-N	Hoggin Path Restoration	Chiswick House and Gardens Trust	Chiswick House and Gardens	Chiswick	Hoggin Path Restoration CHGT is proud to maintain Chiswick House Gardens as a heritage Estate, true to the vision of the Earl of Burlington and William Kent who created them in the 1730s. As part of this vision, we need to use appropriate and historic materials within the Gardens, including on the pathways. The most appropriate historic path material is blue hoggin, a mix of gravel, sand and small stones which is impacted onto walkways to make a smooth surface. Hoggin has the additional environmental advantage that it is a natural material so it does not disrupt the ecosystems of the park. The gravel surface is subject to attrition and as such it requires constant maintenance. We would like to apply to the CIL for this money, as the Gardens are a park open for the benefit of the public and improvements to the pathways will enhance the experience all 1 million people who visit each year.	£ 15,000.00	Not recommended The Council has allocated Section 106 funding to this project in the last round of allocations.	
15	ANON-GR7R-SKBH-A	Trees in Chiswick	None local residents	Burlington Lane	Chiswick	Four new trees for Burlington Lane between Corney Road and Grantham Road W4 2RR	£ 3,200.00	Not recommended The Council recommends that the applicant applies to the Mayor of London's Greener City Fund which will reopen in the 2019.	
16	ANON-GR7R-SKR3-5	Resurface Strand on the Green footpath with resin bond Resurfacing Strand on the Green footpath	Strand on the Green Association (SoGA)	Strand on the Green footpath	Chiswick	Resurface Strand on the Green footpath with resin bond From Clearstone Paving in 2015 I have measured up, and cadded the tow path areas to be 2300 Sq. metres. The cost to supply and install just the resin bound surfacing to that size of area, would be in the region of £89700 + vat. There would also be a need for additional works to the existing Asphalt areas, and also an additional costing for day break beads. I would think that you would need to budget in the region of £120,000 + vat to install the resin bound system to the tow path. Bonded Resin - a harder finish would double the cost.	£ 120,000.00	Not recommended Due to the limited amount of CIL funds available in the area, this application has not been successful for funding.	
17	ANON-GR7R-SKR9-B	Safe Crossings: Fishers Lane and Dolman Road zebra crossings	Turnham Green Ward Councillors	Where Fishers Lane meets Dolman Road to/from the central island where the two roads meet and divide.	Chiswick	Safe Crossings: Fishers Lane and Dolman Road zebra crossings All capital costs Public consultation Installation of three zebra crossings (Dropped kerbs have already been installed in all three directions so are not included in the cost of this project.)	£ 70,000.00	Not recommended Due to the limited amount of CIL funds available in the area, this application has not been successful for funding. However, as the location of the project is within Transport for London's remit, delivery and funding should be sought from this body.	

18	ANON-GR7R-SK47-B	Linden Gardens Tree Works	Linden Gardens Residents Association	Linden Gardens Tree Works	Chiswick	Linden Gardens Tree Works 'Trecare' quotation attached, itemising work and cost associated with each tree. Cost is assumed to be Capital. NOTE 1: It is assumed that the alternative quotation required to question 31, below, will be provided by the Council's own contractor. NOTE 2: It is assumed that should this bid be successful the work removing trees would be coordinated with the repair and replacement of pavement works, which the Council has confirmed will be included in their 2019 programme.	£ 10,452.00	Not recommended The removal of trees is not in line with the Council's objectives for a Cleaner, Greener Borough.
19	ANON-GR7R-SK4E-S	Linden Gardens Echelon Parking	Linden Gardens Residents Association	Linden Gardens, Chiswick	Chiswick	Linden Gardens Echelon Parking Repainting angled road markings: £3,000 (Capital) New (1 No) parking bay at south corner: £500 (Capital)	£ 3,500.00	Not recommended The Council are unable to support this initiative due to the potential adverse impacts to the road surface which could incur further costs to repair.

Heston and Cranford

Community Programme

20	ANON-GR7R-SK42-6	Street Brabazon Boxing	Heston West Big Local (Berkeley Academy)	Brabazon Parade, Heston TW5 9LT	Heston and Cranford	3 coaches per session for 2 hours (£50 per hour) total of £300 per session. Total for 12 sessions £3,600 Project supervisor £50 per session, total of 12 sessions: £600. Boxing equipment £600 Transportation costs of equipment £600 Marketing £200 Inflatable Boxing Ring £700 Total: £6,300	£ 6,300.00	Not recommended This project requires further assessment around the potential of road closures and the Council would typically support an initiative that has secured a location for delivery.
----	------------------	------------------------	--	---------------------------------	---------------------	--	------------	--

Parks and Leisure

21	ANON-GR7R-SK4S-7	Heston Park, replacement of trees.	HESTON RESIDENTS' ASSOCIATION	HESTON PARK and OSTERLEY LANE	Heston and Cranford	HESTON PARK, replacement of trees. OSTERLEY LANE, footpath improvement 1. HESTON PARK, proposal to replace up to 20 recently planted trees (saplings), which are either dead or under extreme stress following the hot weather, subject to an inspection by an Arboriculturalist. 2. OSTERLEY LANE, relating to a public footpath - the Plough Inn at Norwood Green across farmland to Osterley Lane, close to bridge over M4. Several years ago the Green Corridors project funded and installed steps up a steep slope enabling users to access Osterley Lane safely. The steps, constructed with railway sleepers are now beginning to break down and difficult to negotiate. In addition a hand rail would be most useful	£ 8,000.00	Not recommended The Council recommends the applicant applies to the Mayor of London's Greener City Fund which will reopen in the 2019.
----	------------------	------------------------------------	-------------------------------	-------------------------------	---------------------	--	------------	--

Traffic and Transport

22	ANON-GR7R-SKE9-X	Trees for Heston	Heston Residents' Association	Sutton Road and Sutton Hall Road	Heston and Cranford	Trees for Sutton Road and Sutton Hall Road	Cost to be provided by Council	Not recommended Further assessment is required around feasibility of planting and ongoing maintenance costs.
23	ANON-GR7R-SKE1-P	Great West Hedge	Heston Action Group	Along the A4 from adjacent to 112 Great West Road eastwards to the junction with Vicarage Farm Road.	Heston and Cranford	Great West Hedge	£ 10,000.00	Not recommended Further assessment is required to seek the support of Transport for London with regards to feasibility of planting and ongoing maintenance costs.

Isleworth and Brentford

Corporate Property

24	ANON-GR7R-SK43-7	The Brentford School for Girls astro turf project	The Brentford School for Girls	Brentford School for Girls 5 Boston Manor Road Brentford	Isleworth and Brentford	The Brentford School for Girls astro turf project	£ 19,000.00	Not recommend Brentford School for Girls were awarded a substantial amount of funding in the last round and due to limited funds, the Council can not allocate funding this time.
25	ANON-GR7R-SKBY-U	Sports area Gumley House School	Gumley House School FCJ	Gumley House School FCJ	Isleworth and Brentford	External sports areas (x3) (Tarmacadam)	£ 132,000.00	Not recommended Due to the limited amount of CIL funds available in the area, this application has not been successful for funding.

26	ANON-GR7R-SKBB-4	Bell Square Events Programme	Hounslow Arts Trust Ltd, trading as Watermans	Bell Square, at the end of Hounslow High Street	Isleworth and Brentford	Bell Square Events Programme	£ 45,000.00	Not recommended The programme has previously secured Section 106 funding.
27	ANON-GR7R-SKEU-T	Isleworth Public Hall - Improving and Increasing Facilities	Activebase CIO	Isleworth Public Hall, South Street, Isleworth.	Isleworth and Brentford	Isleworth Public Hall - Improving and Increasing Facilities Funding is for purchase, installation and implementation of equipment and facilities in Isleworth Public Hall (IPH), within the context of long-term development of usage. The specific equipment and facilities to be funded from this grant, rather than other sources, will be determined by a needs analysis with existing and potential funders. This will be undertaken when funding is 'agreed in principle' and when we have clarity on the form and timing of transfer to community management. N.B. due to the long history of this transfer to community management, premature engagement would be wasteful and damaging to community support. Current proposals include (subject to funding): - fixed sound and projection equipment in the (main) Jubilee Hall and some other rooms - hearing loop or similar audio assistance - public WIFI throughout the building - IT equipment - video production and presentation facility - music creation and editing facility Expenditure will be primarily Capital.	£ 19,500.00	Not recommended Due to the limited amount of CIL funds available in the area, this application has not been successful for funding.
Community Programme								
28	ANON-GR7R-SKBR-M	Poetical Word	Poetical Word	Hounslow Youth Centre Kingsley Road	Isleworth and Brentford	Poetical Word for people with Autism and disabilities The funding will be used for Poetical Word event expenses, the details of which are as follows: Cake: £40/month Refreshments: 15/month Videography: £250/month Total = £3,660/Yr.	£ 3,660.00	Not recommended Due to the limited amount of CIL funds available in the area, this application has not been successful for funding.
29	ANON-GR7R-SK4F-T	Person-Centred Counselling for Wellbeing	The Mulberry Centre located in the grounds of West Middlesex University Hospital, Isleworth	Revenue costs of the project per year:	Isleworth and Brentford	Person-Centred Counselling for Wellbeing £47,555 Staffing costs £3,480 Volunteer support costs £3,232 Service resources £7,593 Office costs (stationery, IT, facilities) £61,860 TOTAL £35,260 Percentage attributed to LBH (57%)	£ 35,260.00	Not recommended Due to the limited amount of CIL funds available in the area, this application has not been successful for funding.
30	ANON-GR7R-SKEH-D	Art of living for happiness & health	Trinjan	Thistleworth Social & Tennis Club, 129A Ridgeway Road North, Osterley	Isleworth and Brentford	Art of living for happiness & health Club hire for workshops & activities. - £260.00 Nutritionist cost @ £40/session - £320.00 Yoga & Meditation instructor cost @ £60/session - £480.00 Music & voice training teacher cost @ £40/session - £320.00	£ 1,380.00	Not recommended Due to the limited amount of CIL funds available in the area, this application has not been successful for funding.
31	ANON-GR7R-SKER-Q	Stir It Up in Schools	Stir It Up Cookery	Funding will be used to deliver a course of 6 cookery lessons to each Year 3 student currently being schooled in Brentford. This will happen over the course of 30 weeks within the school term.	Isleworth and Brentford	Funding will be used to deliver a course of 6 cookery lessons to each Year 3 student currently being schooled in Brentford. This will happen over the course of 30 weeks within the school term.	£ 15,140.00	Not recommended Due to the limited amount of CIL funds available in the area, this application has not been successful for funding.
Parks and Leisure								
32	ANON-GR7R-SKEP-N	Cricket Development Plan	Old Isleworthians and Heston Cricket Club	22 Wood Lane Isleworth Middlesex	Isleworth and Brentford	Cricket Development Plan The funding will be used to improve our facilities for the changing rooms and build cricket nets	£ 8,000.00	Not recommended Due to the limited amount of CIL funds available in the area, this application has not been successful for funding.
Traffic and Transport								
33	ANON-GR7R-SK4T-8	Hedging along the A4	Air Quality Brentford	Along the carriageway of the A4 beside Middlesex Court on Glenhurst Road in Brentford	Isleworth and Brentford	Hedging along the A4 beside Middlesex Court, Brentford	£ 12,000.00	Not recommended This project requires the written approval of Transport for London and is likely to incur further ongoing maintenance costs which will need to be discussed with them. It should be noted that as the area is within the Great West Corridor opportunity area, the Council recommends such greening initiatives are considered as part of a comprehensive greening strategy.

34	ANON-GR7R-SK41-5	Greening Brentford Market Square	Air Quality Brentford	Brentford Market Square	Isleworth and Brentford	Greening Brentford Market Square Capital Cost: Approx. £8,000 for 4 large statement public space planting containers with RAL protective coating and root care system and up to £4,000 on other cheaper containers, soil, compost and plants	£ 12,000.00	Not recommended This project is not recommended for CIL funding due however is recommended for parital Section 106 funding (see Appendix 5)
----	------------------	----------------------------------	-----------------------	-------------------------	-------------------------	--	-------------	---
