Heston Road, Hounslow - Provision of a pelican crossing

Statement of Reasons

To improve pedestrian safety it is proposed to remove the existing zebra pedestrian near Heston Community School & Heston Primary School into a Pelican (signalised) crossing. This would also provide a regulated pedestrian crossing facility that is less disruptive to vehicle traffic flows at peak periods and would be able to accommodate the volume of pedestrians accessing the crossing.

Overtaking, parking, loading and unloading will be prohibited on the lengths of road covered by the regulatory zig-zag road markings on both sides of the crossing.
