

**Wondering how can the Connexions service help you? Our Careers adviser explains how they can help you decide your next steps.**

So, results day is just around the corner, worried you won't get the results you expected? It really doesn't have to be a nightmare, read on. Hounslow Connexions Service is made up of a team of professionally qualified Careers Advisers. We can help you to see things clearly again, to rethink and to plan your important next steps.

It might be that you want to find out about alternative courses and pathways to your career ideas. We can help you to research and find relevant college or university courses, locally and further afield. Want to learn more about apprenticeships? We can give you information on where to look, how to apply, and prepare an appealing personal profile. Considering taking a Gap Year and/or volunteering, our awareness of where to go for relevant resources will ensure that you can successfully navigate your plans. Or do you simply want to get help with producing a winning CV and preparing for an interview?

To get your future back on track, contact Hounslow Connexions Results Service on 020 8583 5151, for a 1:1 telephone interview.
