

London Borough of Hounslow

Statement of Licensing Policy 2020-25

Appendix 3: Model Conditions

1 Background

1. When deciding to grant or vary a premises licence under the Licensing Act 2003, the licensing authority (the London Borough of Hounslow) may do so subject to *conditions* which it considers necessary, proportionate and appropriate for the promotion of the four licensing objectives.
2. In carrying out its licensing functions the London Borough of Hounslow will have regard to the most recent *Guidance* issued under the Licensing Act 2003 by the Secretary of State. The most recent Guidance states that conditions on a premises licence or club premises certificate are important in setting the parameters within which premises can lawfully operate.
3. The licensing authority will need to be satisfied that it is *appropriate* to impose conditions to promote one or more of the four licensing objectives. Conditions should be tailored to the particular circumstance/s of an individual licensed premises and determined on a case-by-case basis.
4. Standardised conditions which ignore these individual aspects should be avoided (excluding the Mandatory Conditions which apply to all premises). The London Borough of Hounslow, the licensing authority, will not regard these model conditions as standard conditions to be automatically imposed in all cases and the Guidance also urges partnership working to promote the licensing objectives.
5. Conditions which are appropriate to promote the licensing objectives should emerge initially from the prospective licence holders' own risk assessment and these can then form part of the *operating schedule* for the premises.
6. Once an application has been made, the police, environmental health service, other responsible authorities, and other persons are encouraged to engage with the applicant if they are considering making a *representation* to the application. This basket of model conditions has been produced to assist all parties and promote a consistent approach when proposing conditions for a premises licence.
7. If concerns remain, the responsible authorities will discuss these concerns and will, where appropriate, jointly suggest amendments and or new conditions to the applicant.
8. This basket of model conditions is *not* an exclusive or exhaustive list of conditions which may be included on a premises licence. It does not restrict any applicant, responsible authority, or other person from proposing any alternative conditions, nor would it restrict a licensing sub-committee from imposing any other reasonable condition on a licence it considers appropriate for the promotion of the licensing objectives.
9. Model conditions are listed numerically, and an index is included for ease of reference. This version of the model conditions supersedes all previous versions and will continue

to be updated as required and can be found online by visiting www.hounslow.gov.uk and searching for 'licensing'.

10. The Mandatory Conditions prescribed by the Licensing Act 2003 (updated 2014) which are correct at the time of drafting can also be found at both www.hounslow.gov.uk and on www.gov.uk
11. Comments on the content and use of the model conditions, or suggestions for new conditions are welcomed. Please contact us at licensing@hounslow.gov.uk
