

**Dukes Meadows Public Consultation Drop-in Sessions**  
**HAVE YOUR SAY**  
**Sunday 20 November 2016 - 10am onwards**

In early 2016 the Council conducted a review with the partners of Dukes Meadows to identify common priorities and issues. Key priorities identified were:

- enhancing the landscape character of the site
- improving sports facilities
- reconnecting the Thames Path and improved access issues
- improving the nature conservation value.

To follow this review, the Council are now looking at developing a range of options to improve the sports facilities, access to the site and the open space at Dukes Meadows.

Please come along to give us your views and opinions on options for the site on **Sunday 20 November from 10am onwards** at the two venues below where you will have the opportunity to meet council officers and the consultant team.
