Statement of Reasons

Strand on the Green & Stile Hall Controlled Parking Zones Proposed Operational Time Changes

Following a review consultation of the existing Strand on the Green (SotG) and Stile Hall (SH) controlled parking zones (CPZ) with local businesses and residents, the Council are proposing to amend the operational times of both CPZs from Monday-Friday, 10am-Noon to Monday-Friday, 10am-Noon & 6-8pm and Saturday-Sunday, 2-4pm.

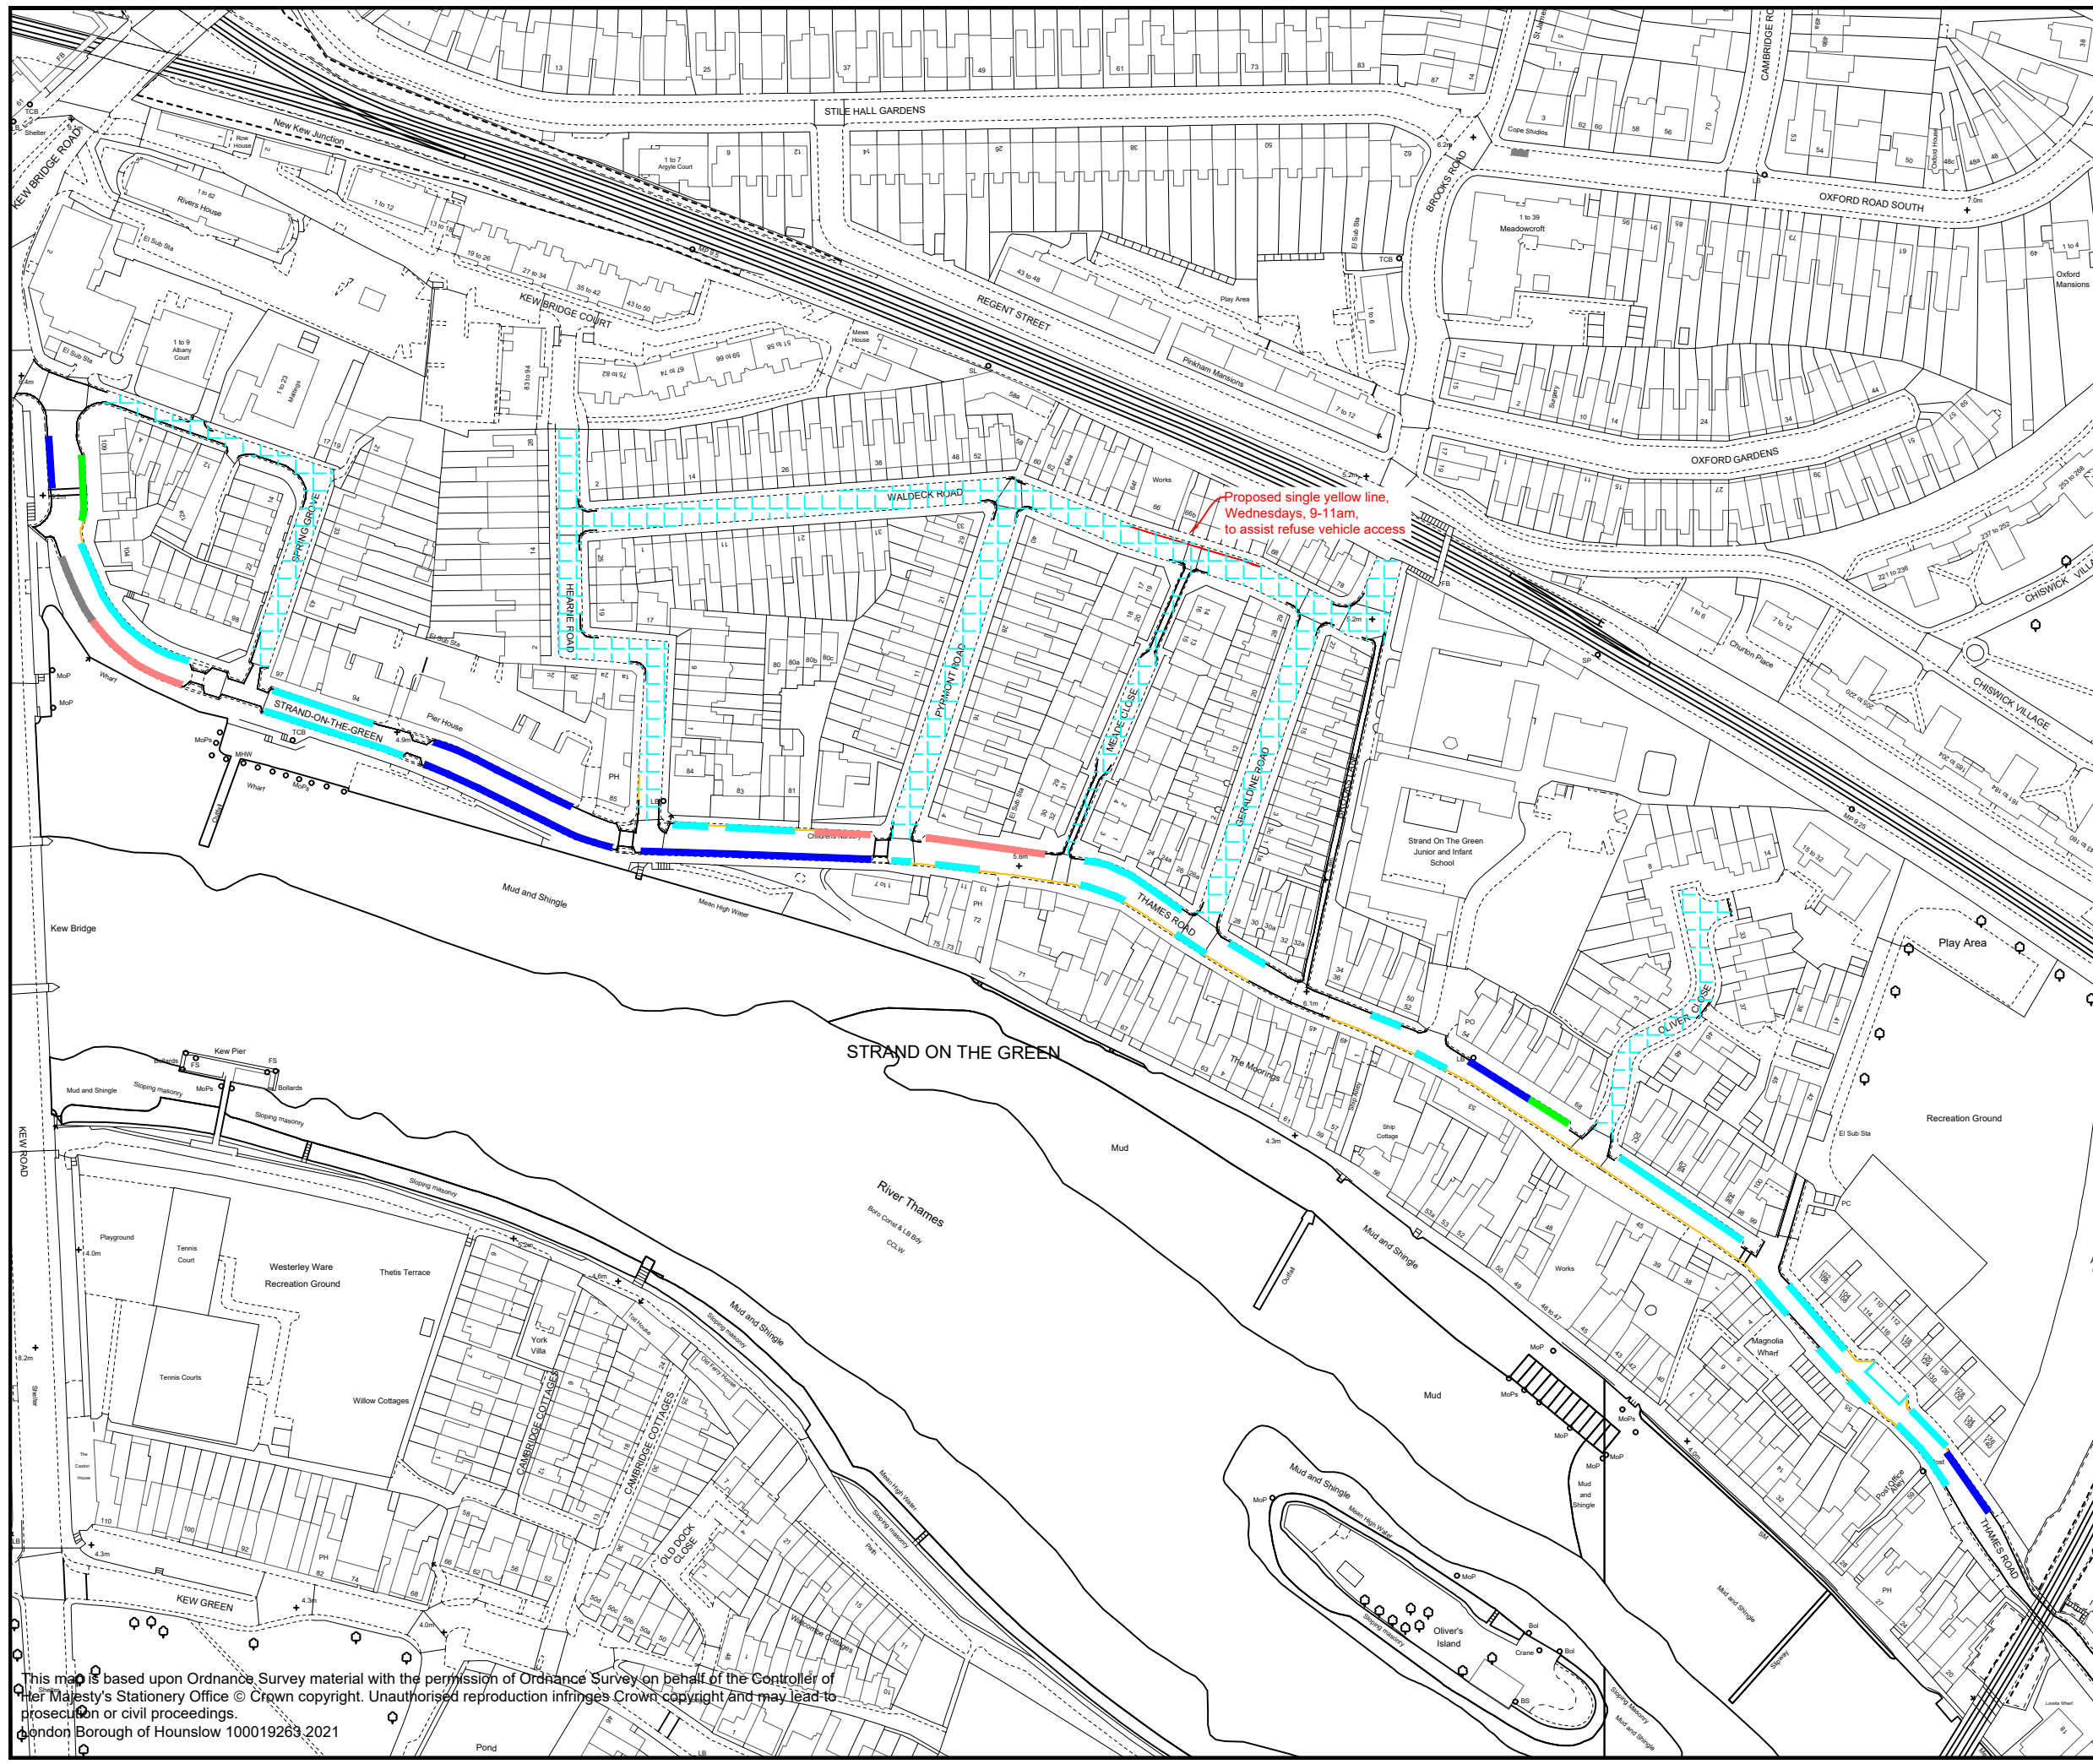

The existing pay & display and 'shared-use' parking bays, where the council are also proposing to amend the operational times as above, will have a maximum stay period of 1 hour for 'pay to park' users.

The purpose of these proposed changes is to ensure residents and local businesses' parking provisions are protected from possible supporter parking during events days at the new Brentford FC stadium development as well as to deter parking from the residential aspect of that development.

The proposed weekday operational times are anticipated to prevent 'all-day', non-residential parking whilst ensuring that residents have priority parking during the evening period when the demand for parking is likely to be at its highest. The evening period should also prevent supporter parking during weekday evening events.

The proposed weekend operational times are anticipated to prevent supporter parking during the vast majority of events at the new stadium whilst also deterring 'all-day' parking from new residential developments in the surrounding area.

The council are also proposing to introduce a single yellow line in Waldeck Road, opposite the junction with Meade Close, to assist with accessibility for the refuse and recycling vehicles which are currently experiencing difficulties existing Meade Close. The single yellow line is proposed to operate between 9-11am on Wednesdays only.
