Dear Owner/Occupier,

### **Closure of Driveway Access to no. 19 and no. 23 Chiswick High Road to Implement Cycleway 9 Scheme**

As you may well be aware, works to implement changes to Cycleway 9 on Chiswick High Road, between Goldhawk Road and Chiswick Lane, are progressing well. As part of these works, the driveway to no. 19 and to no. 23 Chiswick High Road will need to be reconstructed and these works due to take place at some point between February and March 2022.

We will write to you with further details once the construction dates have been confirmed. We apologise for any inconvenience this may cause. To compensate for this suspension the London Borough of Hounslow is proposing to provide affected residents with temporary parking permits, for use on neighbouring streets.

If you require a temporary parking permit within the period of work, please send the information laid out in the table below via email to [traffic@hounslow.gov.uk](mailto:traffic@hounslow.gov.uk).

Alternatively, you can phone 020 8583 3322 to provide these details.

<b>Apartment Number</b>	<b>Name of Resident</b>	<b>Do you require Parking? (Yes/No)</b>	<b>Comments</b>

We apologise for any inconvenience this may cause. Throughout construction, we will aim to minimise disruption to residents, businesses, and other road users during these works, though it will be necessary to close roads and footways, restrict parking and use temporary traffic signals at times.

Our Contractors, Hounslow Highways, will be managing the works. Working hours are 7.30am to 4pm Monday to Saturday.

If you have any queries relating to the scheme, please do not hesitate to contact the Traffic & Transport Service via the details shown at the top of this letter.

Yours faithfully,
