Our ref: no. 66 - 70 The Power House

Date: 07 January 2022

ATTN:

Residents of The Power House, 70 Chiswick High Road
Metropolis, The Power House, 70 Chiswick High Road
Villa di Geggiano, 66-68 Chiswick High Road
Ashley Group (Site Contractor), 70 Chiswick High Road

Dear Owner/Occupier,

Closure of Driveway Access to no. 66 - 70 to Implement Cycleway 9 Scheme

As you may well be aware, works to implement changes to Cycleway 9 on Chiswick High Road, between Goldhawk Road and Chiswick Lane, are in progress. As part of these works, the driveway to no. 70 The Power House will need to be reconstructed and these works are planned to start on 07 February 2022 for a duration of five days.

To complete these works, vehicle access to your property will be temporarily suspended for the five proposed days of work. To compensate for this suspension the London Borough of Hounslow is proposing to provide affected residents with temporary parking permits, for use on neighbouring streets.

If you require a temporary parking permit within the period of work, please send the information laid out in the table below via email to traffic@hounslow.gov.uk.

Alternatively, you can phone 020 8583 3322 to provide these details.

Apartment Number	Name of Resident	Do you require Parking? (Yes/No)	Comments (What dates/ times should construction take place?)

For those who need HGV access for the purposes of construction works or deliveries, we strongly advise that these are planned ahead and arranged outside the proposed period of works.

We apologise for any inconvenience this may cause. Throughout construction, we will aim to minimise disruption to residents, businesses, and other road users during these works, though it will be necessary to close roads and footways, restrict parking and use temporary traffic signals at times.

Our Contractors, Hounslow Highways, will be managing the works. Working hours are 7.30am to 4pm Monday to Saturday.

Details of the scheme layout can be viewed at: <https://tinyurl.com/zkpd3see>

If you have any queries relating to these works, please do not hesitate to contact the Traffic & Transport Service via the details shown at the top of this letter.

Yours faithfully,

Jefferson Nwokeoma
Assistant Director, Traffic, Transport & Parking
