Part 3 - Variation

Please tick

Do you want the proposed variation to have effect as soon as possible? Yes No

If not, from what date do you want the variation to take effect?

DD	MM	YYYY
01	10	2025

Do you want the proposed variation to have effect in relation to the introduction of the late night levy?
(Please see guidance note 1) Yes No

Please describe briefly the nature of the proposed variation (Please see guidance note 2)

The boathouse fronts onto the Thames foreshore and is in its own grounds, which are fenced. On one side of the site is another boathouse. On the other side and at the rear is a sports ground and its car park.

The boathouse has been partly demolished and is being rebuilt with a larger footprint than before. The redeveloped boathouse includes a new balcony, which will not be visible from any homes. The creation of the new balcony is the only reason for needing a variation to the club premises certificate. There will be no other changes to the way in which the club or its bar operates. Specifically, no parts of the Club Operating Schedule would be subject to change.

The structure of the boathouse is due to be finished in mid-October 2025 but it will then take some weeks to fit out the building. Although the variation is requested to take effect from 1 October, the bar is unlikely to be open before December at the earliest.

If the club's proposed variation would mean that 5,000 or more people are expected to attend the premises at any one time, please state the number expected to attend

Not applicable

Please identify those conditions currently imposed on the certificate which you believe could be removed as a consequence of the proposed variation you are seeking.

No conditions are currently imposed on the certificate

Please tick as appropriate

- I have enclosed the club premises certificate
- I have enclosed the relevant part of the club premises certificate

If you have not ticked one of these boxes, please fill in reasons for not including the certificate or part of it below

Reasons why the club has not enclosed the club premises certificate or relevant part of it:

I only have the original of the present certificate and don't have a means to scan it. If the certificate is needed I'd be happy to send it by post.

M – Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b, c, d and e) (please read guidance note 10)

In accordance with the mandatory conditions, no alcohol will be supplied at less than the permitted price, there will be no irresponsible promotions, free potable water will be available from the bar, and alcohol will be supplied only in the permitted measures.

Apart from drinks being able to be consumed on the new balcony, the club and its bar will not be operating any differently from in the past. To the best of the club's knowledge, there have been no alcohol-related problems since the club first obtained a licence in 1951.

b) The prevention of crime and disorder

The premises will be monitored by CCTV cameras.

c) Public safety

Smoking is not allowed in the building.

The premises have a defibrillator and a first aid kit.

The premises will have a fire detection system and fire extinguishers..

d) The prevention of public nuisance

The new balcony will not be visible from any homes. The exit from the boathouse site is into the car park of the neighbouring sports ground, and the exit from the car park is onto a non-residential part of Hartington Road. Thus there is no likelihood of annoyance to local residents.

e) The protection of children from harm

There will be no activities that might give rise to concern in respect of children.

In accordance with the mandatory condition, all those serving behind the bar will be instructed to demand age verification for any potential purchaser who might be under age.
