SCHEDULE 1

1 Item Number	2 Description
**	ai) Southall Lane, Southall, both sides, from a point 43 metres south of the junction with Hayes Road to a point 164 metres south of the junction with Spitfire Way

EXPLANATORY NOTE

(This Note is not part of the Order, but is intended to indicate its general purport.)

This Order further amends the Hounslow (Red Routes) Order 2019 by introducing “No stopping at any time” Red Route restrictions in Southall Lane, Hounslow.

Proposed Red Route Restrictions and Zebra Crossings – Southall Lane, Southall

Statement of Reasons

The Council is proposing to introduce new “no stopping at any time” (double red lines) restrictions, which will replace the existing “no waiting at any time” (double yellow line) restrictions on Southall Lane, Southall.

The Council is also proposing to introduce two Zebra Crossings on Southall Lane and Hayes Road, Southall. The crossings will be situated on carriageway level to provide facilities for pedestrians and cyclists crossing the road. This will promote travel by sustainable methods by providing improved walking facilities for pedestrians and cyclists.

Red Route Restrictions

The Council is proposing to introduce ‘Red Route no stopping at any time’ restrictions on Southall Lane, both sides between a point 43 metres south of Hayes Road and a point 164 metres south of Spitfire Way. These restrictions will prevent vehicles from stopping on the specified length of Southall Lane at any time which will ensure adequate visibility/clearance for vehicles using the road. Additionally, Red routes can be enforced using CCTV, unlike the existing yellow lines they would replace, allowing for more effective enforcement. These restrictions are being proposed to enable safe tracking of buses near the shelters and to deter motorists from parking at these locations and impeding access for relevant users.

Zebra Crossings

The Council is proposing to introduce two Zebra Crossings and associated zig-zag markings in the following locations:

Street Name	Location
Hayes Road, Southall	North side, from a point approximately 9.5 metres east of the eastern kerb-line of Southall Lane for a distance of 43.4 metres in a south-easterly direction; South side, from a point approximately 11.5 metres east of the eastern kerb-line of Southall Lane for a distance of 37 metres in a south-easterly direction.
Southall Lane, Southall	East side, from a point approximately 4.3 metres south of the north-eastern building line of No. 1 Southall Lane for a distance of 34.5 metres in a southerly direction; West side, from a point approximately 12.5 metres south of the north-eastern building line of Southall Lane for a distance of 26 metres in a southerly direction.
