Grove Park Road, Chiswick – proposed pedestrian improvements, parking amendments & provision of road humps

Statement of Reasons

The proposed public realm improvements in Grove Park Road adjacent to the shops aims to deliver a desirable space that, shifts the balance away from motor traffic and boosts pedestrian priority, invites people to spend time in, and reflects its importance within the local community and promotes the local shops.

It is necessary to relocate and reduce the level of on-street parking available in order to facilitate the public realm improvements. The first 30 minutes of parking will still be free, but the hours of operation for the 'pay-by-phone' are proposed to be extended to 9am to 5pm to encourage greater turn-over of spaces during trading hours, thereby making it easier for people who need to drive to access the shops.

The existing disabled parking bay is being relocated within the new road layout.

A new goods vehicle loading bay is proposed for Spencer Road adjacent to its junction with Grove Park Road in order to provide a dedicated loading area for goods vehicles servicing the shops and businesses.

The proposed road humps in the form of a raised table and a side road entry treatment will help to control vehicle speeds and create an improved and safer environment for all road users and in particular pedestrians and cycles.
