(This Note is not part of the Order but is intended to indicate its general purport.)

This Order further amends the London Borough of Hounslow (School Streets) Order 2021 by introducing an additional school street in part of Quakers Lane, Isleworth.

Statement of Reasons

Quakers Lane, Isleworth – Access Restriction

The council is consulting on proposals to introduce a restriction on motor vehicles accessing from using Quakers Lane, Isleworth, Quakers Lane, Isleworth, between its junction with London Road, Isleworth and the railway line, during school start and finish times (Monday – Friday 8.15-9.30am and 2.45-3.45pm) as part of its School Streets programme.

Exemptions will be introduced for blue badge holders, easily recognisable delivery vehicles (e.g. supermarket lorries), and school staff.

The School Street concept is aimed at tackling problems associated with traffic around schools at drop-off and pick-up times, notably road safety concerns, poor air quality, and inconvenience to residents, by restricting motor traffic access in the immediate vicinity of a school access.

The restrictions are aligned with Hounslow Council's aim to promote active and healthy communities by:

- Improving road safety for pupils, residents and visitors to the borough;
- Reducing pollution in the area, including particulates, which especially impact young people;
- Increasing walking, cycling and active lifestyles – and decreasing motor traffic journeys - by pupils and their parents and guardians;
- Minimising anti-social behaviour arising from inconsiderate parking and dangerous manoeuvres.
