· Where will the tables & chairs be stored at the end of trading hours? Inside the store / Storage Area

Page: Further information

· Outline how the table and chairs will be managed. Layout & Positioning Tables and chairs will be placed directly outside the premises, within the licensed area only. A clear pedestrian walkway of at least 1.8m (or as required by the council) will always be maintained. Furniture will be positioned neatly and securely, avoiding obstruction of fire exits, access points, or utilities. Hours of Use Outdoor seating will only be available during the licensed opening hours. Furniture will be removed and stored inside the premises at close of business each day. Supervision Staff will regularly monitor the outside area to ensure it is tidy, safe, and free of obstruction. Customers using outside seating will be supervised to ensure responsible behaviour and avoid noise nuisance. Cleanliness & Waste Management Staff will clear tables promptly and remove waste regularly. Litter bins will be provided and emptied frequently. The pavement will be swept/cleaned throughout the day and at the end of trading. Safety Measures Furniture will be of robust commercial quality, stable and safe for public use. No fixtures will be permanently attached to the pavement. Barriers or planters (if required by the council) will be used to clearly demarcate the licensed area. Noise & Public Nuisance Control No amplified music or speakers will be used outside. Customers will be reminded to respect neighbours and keep noise to a minimum, especially in the evenings.

· Outline how local nuisance will be managed. Noise Control No amplified music, speakers, or entertainment will be permitted outside the premises. Music played indoors will be kept at background level, not audible at residential properties nearby. Doors and windows will be kept closed in the evenings (except for access/egress). Customer Behaviour Staff will monitor customers inside and outside the premises to ensure they do not cause disturbance. Clear signage will remind customers to leave quietly, particularly late at night. A dispersal policy will be in place to avoid groups loitering outside after closing. Outdoor Seating Management Tables and chairs will only be used during licensed hours and will be removed promptly at close of business. Staff will supervise the outdoor area to ensure conversations and activity do not disturb neighbours. Waste & Cleanliness Litter and food waste will be cleared from the pavement and surrounding area regularly. Bins will be provided, emptied, and cleaned daily to avoid odours or overflow. Deliveries and waste collections will be scheduled to minimise impact on residents. Odour & Ventilation Kitchen extraction systems will be maintained and fitted with filters to prevent cooking odours from escaping into the street. Regular servicing will ensure efficient, quiet operation of ventilation systems. Engagement with Local Community A nominated manager will act as the main point of contact for local residents to raise concerns. Any complaints will be logged, investigated promptly, and corrective action taken where required.

· Will the placement of the table and chairs allow for people to pass with a minimum of 1.5m+? Yes
