SCHEDULE

Description of articles to be placed outside: Tables & Chairs.

Premises: Pasta Evangelists, 340 Chiswick High Road, Chiswick,
London, W4 5TA

Measurements of allocated area: 6.1m in width by 1.4m in depth.

Days: Monday to Sunday

Times: 08:00 to 23:00

Conditions for Pavement Licence

1. The licence holder shall ensure that a review of health and safety risk assessments is carried out and reviewed regularly to address operational changes being made.
2. The licence holder shall ensure that they conform with any reasonable crowd management measures needed as a result of this licence being granted.
3. Ensure any queues or the serving of customers do not impact the adjacent pavement or any pedestrian crossing points in order to prevent obstruction and to maintain road safety. Queues should also not impact upon neighbouring premises. The business should manage the outside space with any necessary marshalling and social distancing measures.
4. An unimpeded pedestrian route must be maintained at all times for people wishing to access the premises and use the footway. A minimum 1.5m clear space shall be maintained between the outer edge of your tables and chairs space and the edge of the pavement or to the edge of another obstruction. This should be 2m on areas of high footfall, but each case will be considered on its merits.
5. Emergency routes to the premises and adjacent buildings must not be obstructed by the Pavement Licence, which should not, in normal circumstances, extend beyond the width of the premises frontage.
6. The licensee should ensure that the area operates in a safe and orderly manner and shall not do anything in the street which may cause danger, nuisance or annoyance, damage or inconvenience to the Council, any adjacent/neighbouring premises, or to members of the public.
7. All detritus (food and drink remnants, spillages, bottles, cans, wrappers etc) be regularly removed from the footway surface to reduce hazards to pedestrians. The licence holder must make arrangements to regularly check for and to remove litter and rubbish on pedestrian walkways, caused by persons using the licensed area, for a distance of up to 10 metres from the boundary of the licensed area. The licence holder must ensure that any tables are cleared in an efficient manner during the hours of operation. The licence holder must clean any spillages that may occur.
8. Permission to operate a pavement licence does not imply an exclusive right to the area of public highway. The licence holder must be aware that the London Borough of Hounslow Council and others (e.g. police, highways authority, statutory undertakers) will need access at various times (including emergencies) for maintenance, installation, special events, improvements etc or any other reasonable cause. This may mean that the pavement licence will need to be suspended, modified or revoked at short notice. Where a pavement licence is issued for an area of public highway within a suspended parking bay, the licence will need to be suspended, modified or revoked if the suspension of the parking bay is lifted. On these occasions there would be no compensation for loss of business.
9. Permission to operate a pavement licence does not imply an exclusive right to the area of public highway. Where any works have been carried out to the public highway which means that the minimum distance of 1.5m unobstructed space, or other minimum distance required by the council, between the outer edge of your pavement

licence and the edge of the pavement or to the edge of another obstruction can no longer be maintained the licence may be suspended, modified or revoked at short notice. On these occasions there would be no compensation for loss of business.

10. The operation of the area must not interfere with highway drainage arrangements. All pedestrian crossing points, and any associated tactile paving or other facilities, must be kept clear at all times and will not be permitted in a designated area.
11. Street furniture must not be placed in position outside of permitted times. Only street furniture and associated articles used in connection with the outdoor consumption of food and drink, such as umbrella, heaters and barriers shall be placed within the designated area. When the licence is not in use, all street furniture and other associated articles must be stored securely inside a premises away from the highway.
12. London Borough of Hounslow Council are empowered to remove and store or dispose of furniture from the highway, at the cost of the licensee, if it is left there outside the permitted hours, or should any conditions of the licence be ignored. The Council will not be responsible for its safekeeping.
13. The London Borough of Hounslow will not be responsible for any claim for loss, damage or theft of any article used in conjunction with the pavement licence.
14. All Street furniture should be kept in a good state of repair. They should only be placed fronting the application premises and not encroach in front of neighbouring premises.
15. Furniture should be placed so as not to obstruct driver sightlines, or road traffic signs. Placement of tables and chairs must allow pedestrians to use the footway parallel to the frontage of the premises. Care should be taken in the use of hanging baskets, awnings, protruding umbrellas etc. Alternative items, such as lighting may not be used without first seeking the written authority of the Council.
16. The licensed area will be non smoking unless sufficient space can be provided to allow a separate smoking area. Licence holders should provide a minimum 2M distance between non-smoking and smoking areas, wherever possible.
17. Any new advertising and signage applied to barriers which enclose tables and chairs, or any other area on the highway, will require express advertisement consent.
18. The licence holder is not permitted to make any fixtures, or excavations of any kind, to the surface of the highway without prior written approval. Any costs incurred as a result of damage to the highway, due to the positioning of tables and chairs etc, will be recovered in full from the licence holder by the London Borough of Hounslow Council.
19. Unless the premises is licensed under the Licensing Act, the licence holder must not allow the consumption of alcohol within the licensed area.
20. Where a premises is licensed under the Licensing Act, the consumption of alcohol within the area of the pavement licence is limited to 11pm.
21. The Licence as issued must be displayed in a clearly visible position where it can be read by prospective customers. If this is not possible the Licence must be available

for inspection when requested to do so by a Police Officer or authorised Officer of the Council.

22. The pavement licence holder must ensure that the management team of the business to which the pavement licence is attached; register and successfully complete the nationally recognised counter terrorism training product referred to as ACT E Learning within 10 days of the notification of the grant of the Pavement Licence OR can demonstrate that the ACT E Learning product has successfully been completed within the preceding 12 months and that all staff employed by OR at the premises complete the ACT E Learning within a reasonable period not exceeding 3 months from the notification of the grant of the Pavement Licence. (Act E Learning certificates are provided on successful on-line completion).
23. The Pavement Licence holder must ensure that existing CCTV systems are correctly working, are compliant with the Data Protection Act 1998, Information Commissioners requirements and any other local CCTV Code of Conduct produced by the Police or Local Authority. Imagery must be retained for at least 28 days and images produced to a Police Officer or Local Authority Enforcement Officer upon reasonable request. Faults which render the CCTV system or parts of it inoperable should normally be rectified within 24 hours.
