EXPLANATORY NOTE

(This note is not part of the Order, but is intended to indicate its general purport)

This Order The London Borough of Hounslow (40mph Speed Limit) No.1 Order 2025, includes 40mph Speed Limits along: Bedfont Road, and Stanwell Road, Feltham.

Statement of Reasons

50mph Speed Limit Reduction to 40mph Speed Limit

Specific Proposals

As part of the Council's broader transport and environmental objectives, these proposals intend to enhance road safety by reducing the existing 50mph Speed Limit to 40mph Speed Limit on Stanwell Road, Feltham. The proposed 40mph Speed Limits are:

Bedfont Road, Feltham, from the boundary of the Administrative County of Surrey to its junction with the western arm of the Beacon Road Roundabout, Feltham; and

Stanwell Road, Feltham, from its junction with Bedfont Road, Feltham the western arm of the Beacon Road Roundabout, Feltham, including the Beacon Road Roundabout, Feltham, to its junction with the A30 Great South-West Road.

50mph Speed Limit Reduction to 40mph Speed Limit

General Information

The Council recognises the benefits that lower vehicle speeds have on improving road safety on road within the borough. Lower vehicle speeds reduce the severity of injuries and the likelihood of them. Research suggests that a 1% reduction in the average speed can reduce collision frequency by 6%.

It is expected that the proposed measures will create a safer environment for all road users and will be of particular benefit to vulnerable road users, including cyclists and pedestrians, the younger and older people and those with disabilities.
