Proposal	Erection of a single storey rear extension following the demolition of the existing conservatory.			
No. of submissions: 1	<p><u>Summary of objections</u></p> <ul style="list-style-type: none"> - The applicant is the joint owner of the property at 179, and they had subdivided both properties into several units with or without planning permission. - The property is subdivided into ground and first floor, as shown in the two records for the property. - The owner could be illegally renting out the new outbuildings. - Evident that the property has more occupants due to the amount of recycling bins out on collection day. - Other planning permissions in the area allowing subdivision have caused problems, degrading the area and harming the environment. The street looks filthy, and property prices have decreased. - Alleged tenants disturb neighbours by talking on the phone outside the house between 01:00 am and 5:30 am, as the properties have poor reception. - A condition should be attached to the permission not to subdivide the property or rent out the outbuildings, to provide proper recycling bins to prevent overspills, and to prevent overflowing parking on Jersey Road. <p><u>Summary of reasons for approval</u></p> <ul style="list-style-type: none"> - A site visit was conducted, and no evidence of subdivision of the property or use as an HMO was found. - Although the proposal would exceed the depth advised by the Residential Extension Guidelines for semi-detached dwellings, it would not harm the neighbours' living conditions or the character and appearance of the site and surrounding area.
