CHISWICK AREA**Minor & Householder Applications to be recommended for Approval with objections**

Item	Address	Ward	Ref. No.	Case officer details
1	6A Church Street, W4 2PD	Chiswick Homefields	P/2024/4363	jacky.leung@hounslow.gov.uk
Proposal	Erection of a first rear extension, repair, refurbishment and reinstatement, together with adaption to facilitate the use of The Old Post Office as an architect's office and design studio. Listed Building Consent P/2024/4360.			
No. of submissions: 7 (6 support, 1 objection)	<p><u>Summary of support</u></p> <ul style="list-style-type: none"> - The proposal revives the historic building, which closed around 2002 and has been in a state of total neglect. - The proposal takes significant care and research. A positive contribution to the visual amenity of the Conservation Area. - The proposed use as an architect's office is in the spirit of the original building. - The first floor rear extension is more contentious, but can appreciate the need for more space and the contemporary approach. <p><u>Summary of objection</u></p> <ul style="list-style-type: none"> - The modern box design and the colour of the proposed extension is out of character with the Conservation Area. - The increase in floor space on the first floor is out of character with the Georgian fabric of No. 6a Church Street. - Loss of daylight to adjacent garden and the side elevation of the adjacent property. - The original rear wall will be masked by the addition of the cube. - Adjoining neighbours have not been served a party wall agreement and would be unable to access their side elevation for gutter repairing. - The tiny gap between the extension and the adjacent property would be a damp passage space where mould may grow. <p><u>Summary of reasons for approval</u></p> <ul style="list-style-type: none"> - The scheme has many heritage benefits, mainly bringing the historic building back into use, which outweigh the development's potential harms. - The rear garden of No. 7 Church Street is facing north and is not well-sunlit, according to the BRE guidelines. The guidelines do not require a further loss of light assessment. - No gap between the extension and adjacent property. - Party wall agreements are not a material planning consideration.
