Item	Address	Ward	Ref. No.	Case officer details
2	17 Hartington Road W4 3TL	Chiswick Homefields	00567/17/P7	jacky.leung@hounslow.gov.uk
Proposal	Erection of a roof extension including a part front roof extension with one roof window, a two storey side and part two storey rear extension, a single storey rear extension and creation of a basement, following demolition of the existing side and side and rear extension to the house			
No. of submissions: 7	<p><u>Summary of objections</u></p> <ul style="list-style-type: none"> - Should include river wall repair in accordance with Environment Agency requirements for riparian owners. - There are underground springs in this area. Surface water management post-development should not increase flood risk. - Disagree with statements that the flood zone definition is "erroneous". Reference to the Inspector's appeal handling is misleading. - The excavation of a basement at the site should require a party wall agreement. - Time restrictions to minimise noise, disruption, pollution, dust, etc. during works are necessary. - Waste material from demolition and excavation must be removed from the site and recycled, and not disposed of on the garden. - Any encroachment should be kept to an absolute minimum in order to protect the ecology of this sensitive site - The proposed flat roof over the new rear extension should never be used as a balcony or terrace. - Dead trees should be replaced with mature ones and the overgrown pond restored. New tree planting should be more than 5 metres from neighbouring houses. - May affect the root system of the trees in adjoining sites. <p><u>Summary of reasons for approval</u></p> <ul style="list-style-type: none"> - The development would not extend towards the river - it would be 90 metres. - The site includes flood zone 2, 3a and 3b. The development would only be in flood zone 2. - Party wall agreements are a civil matter and not material planning considerations. - Applicants can be advised about construction hours, which are controlled by Council environmental enforcement powers. - No doors are proposed at first floor rear elevation to use the flat roof as balcony or terrace and a condition can prevent this. - Tree planting in private land does not require permission from the Council. - The application will be bound by a condition for tree protection measures.
