## Breaches of Planning Control where Enforcement is to be undertaken

Item	Address	Ward	Ref. No.	Case officer details
1	Land to the north-west side of 27 Wraysbury Close, Hounslow, TW4 5EA	Hounslow Heath	GEN/2019/00249	Laura.fisk@hounslow.gov.uk
<b>Breach</b>	Unauthorised erection of railings, fencing and a vehicular gate, as well as the removal of grass and replacement with rubble type material on Greenbelt land			
<b>Proposed remedy</b>	<p>Remedy: Remove the railings, fencing and vehicular gate, remove the rubble type material from the site, reinstate the grass to the land and remove all resultant debris from the land</p> <p>Reason: The erection of the railings, fencing and vehicular gate, by reason of their size and scale along the footpaths as well as mixed designs fail to preserve the openness of the site and are considered to be visually obtrusive features of the surrounding streetscene. The removal of the grass and replacement with rubble type material has resulted in a loss of visual amenity and openness of the land failing to conserve and enhance the nature conservation, landscape and recreation and amenity value of the Greenbelt. These developments are therefore contrary to Local Plan policies CC1, CC2, GB1, GB2, London Plan policy 7.16 and the NPPF</p>
