The distance in this respect is to be measured from the edge of the licensed area to any significant amount of street furniture (such as lamp posts, bollards, parking meters, fences etc) or to the kerbside or edge of the road in the absence of any street furniture as described. Where there is heavy pedestrian flow, additional footpath space may be required.
2. In respect of all street trading licences other than pavement café licences, only those tables, stalls, items or displays specifically applied for and authorised on this licence shall be permitted within the designated area. No other furniture of any description, other than litter receptacles shall be placed within the designated area.
3. The licence holder shall keep his trading location and the immediate area in a clean and tidy condition during the permitted hours and at the end of each daily period of use. The holder will ensure that appropriate precautions are taken to prevent the highway from becoming littered as a result of trading activity and shall provide a litter bin for their customers where necessary.
4. The Licence Holder's vehicle/stall shall be kept in a clean, safe, and well-maintained condition and be of a presentable appearance. The street trading licence holder shall maintain the stall or vehicle in a clean state and its structure shall be kept in good order, repair, and condition to the satisfaction of an Officer of the Council.
5. All displays, tables, chairs, and any other structures associated with this licence shall be removed at the end of each trading day.
6. In respect of all licences other than for a pavement café all items associated with the display shall be of sufficient quality and strength to be placed outside and shall be capable of withstanding the size, weight and shape of any items placed thereon. There shall be no sharp or jagged edges associated with any part of the display furniture.
7. No display items, tables, chairs, structures or goods associated with the display or pavement café shall be positioned in any way so as to obstruct the sight line of drivers of vehicles in and around the vicinity of the display or pavement café.
8. There shall be no playing of music or any amplified sound to any extent that may be perceived as causing a nuisance to neighbouring premises or any other person in the vicinity. The holder shall not use or permit any music playing, music reproducing or sound amplification apparatus or any musical instruments, radio or television receiving sets whilst trading under this Licence, unless varied by a special condition of this Licence.

9. No licence holder shall cause or permit a nuisance to be created by noise, smell or any other unreasonable form to be emitted or associated with the licensed pitch or display area in any way.
10. No electrical cables, wiring or any other like obstruction, shall be permitted to run along the ground in such a way as to create a trip hazard or which may be susceptible to mechanical damage.
11. In respect of all other street trading licences, the display, storage and offer for sale of goods and/or services are only permitted in respect of the item, items or category of merchandise specifically authorised by the licence.
12. In the event of a request by a Police Officer, an authorised Officer of the Council or an Officer of a relevant public utility, any tables, chairs, display equipment or goods, shall be removed immediately for whatever period is so required.
13. The holder(s) of this Licence (the holder), or any person employed to work on the stall must produce the Licence when required to do so by a Police Officer or a duly authorised officer of Hounslow Council (the Council).
14. No fencing walls or boundary markers of any kind shall be installed or erected at any time either in or around the designated trading area, without specific appropriate written authority from the local planning authority or relevant department/organisation.
15. No overhanging structures whether temporary or permanent, shall be permitted to be lower than a height of 2 metres and must at all times be adequately secured. Any such items are subject to permission under condition 19 above.
16. The term of the licence shall not exceed 6 months from the date of issue.
17. The issue of this licence does not give or imply any permission to supply or sell intoxicating liquor on the street
18. Only the goods and/or services agreed by members of the licensing panel at the time of licensing and which are listed on the licence shall be displayed or offered for sale in the outside licensed area at any time. The Licence Holder can only sell goods identified in the Licence to Trade. If he/she wishes to sell different or additional goods, he/she must apply for a new Licence to trade.
19. All goods shall be maintained in a reasonable and safe condition at all times.
20. Notice of application for a new or renewal of a street trading licence (including pavement café's) must be displayed in the window of the premises to which it relates, in such a manner so as to be clearly visible from the outside. Such notice must be at least A4 in size and will be displayed for a period of not less than 28 days from the date of application.

28. The holder shall not place on the street, or affix to any equipment placed on the street, any advertising material, unless varied by a special condition of this Licence.
29. The holder shall not fix any equipment, nor make any excavations or indentations in the surface of the street.
30. The holder shall not use the street for any trading purpose other than as permitted by this Licence.
31. The holder shall not place on the street any furniture or equipment other than that permitted by this Licence. All such furniture or equipment must be maintained in a clean and tidy condition, and must not obstruct the entrance to, or exit from, any premises.

33. The holder shall not deposit any water or waste product into any street drain or channel but shall dispose of it in an appropriate place. The Environmental Protection Act 1990 places a duty of care on businesses to dispose of waste originating from their trade in a certain manner.
34. The Licence holder shall ensure refuse originating from their trade is disposed of by a licensed waste carrier and shall leave the site clear of refuse at the completion of trading. No water or waste material shall be discharged on to the highway or any adjacent property. The minimum insurance cover shall be £2,000,000 and shall cover the operator's vehicle, or stall and any additional equipment under their control. If food is sold the insurance shall specifically include cover against food poisoning to the same amount. The insurance certificate or cover note shall be produced to the City Environmental Health Officer before the Street Trading Licence is issued. Proof of cover must be produced to an officer of Hounslow Council as required.
37. The holder must obtain permission from the appropriate authority (where relevant) or the Council's Highways Department and Licensing Manager or Head of Business Regulation, if they wish to utilise electrical power taken from the mains or a generator.
38. The Council may revoke this Licence at any time and shall not be liable to pay any compensation to the holder in respect of such revocation.
39. The holder, or any person employed to work on the stall, shall **at all times carry with them** the identification card issued by Hounslow whilst trading from the pitch.
40. The holder shall return any Council issued identification badges and licences to Licensing Services immediately on revocation or surrender of this Licence.
41. The holder shall pay the street trading fees in advance unless an agreement is sought to enable payments to be paid by direct debit.

42. The Council will not grant a Street Trading Licence to persons under the age of 17 years and no person employed by a Licence Holder to assist him/her in the street trading shall be under the age of 16 years.
43. No trading stall, vehicle etc. is permitted to remain at the locality in question outside the permitted hours unless specified by the terms of the licence. It must be removed at the end of each trading day and not returned until the agreed trading commencement hours the following day. Where a structure is not removed at the end of the trading day, no additional permanent or semi-permanent additions or paving shall be erected or constructed adjacent to the structure for which licence has been granted.
44. Trading units/stalls must not be sited in any area other than the site defined by the Licence to Trade. If the Licence Holder wishes to move the trading unit to another site, he/she must apply for a new Licence to Trade.
45. The Licence Holder shall ensure that the stall/vehicle is positioned only in the allocated space (which may be marked on the ground) in the Licence Street for which the Street Trading Licence is issued. All goods shall be displayed on the stall and no freestanding racks or displays are permitted. If a Licence Holder or operator/assistant is requested to move the vehicle/stall by an authorised Council Officer or Police Officer, they shall immediately comply with that request.
46. Street trading can only be carried out from the stall or vehicle authorised under the conditions of the licence. Any changes to or replacement of the stall or vehicle must be approved by the Head of Business Regulation or Licensing Manager.

48. Any vehicle used by the licence holder for trading purposes shall be maintained in a roadworthy condition, taxed, insured and with a current MOT Certificate.
49. The Licence Holder must take adequate precautions to prevent the risk of fire at the stall or vehicle. All hot food vans/trailers are required to comply with current legislation on fire safety. Where gas cylinders are used an annual gas safety certificate must be kept on site to ensure the safety of all gas cooking and heating equipment.
50. A serviceable fire blanket and a foam fire extinguisher shall be provided in all vehicles selling hot food. 52. A Street Trading Licence cannot be transferred or sold to another person except that the Licence may be transferred to a member of the Licence Holder's immediate family in the event of the Licence Holder's death or incapacity on payment of a fee. The sub-letting of a pitch is prohibited. Discuss in relation to permanent stalls.
53. The Licence Holder must be the principal operator and have day to day control of the stall/vehicle. The Licence Holder may employ any other person to assist in operating the stall/vehicle and shall notify the Head of Business Regulation/Licensing Manager of the name and address of that person.
54. Licence holders shall ensure that disabled people and wheelchair users can be adequately served. This may involve serving persons from outside the vehicle, stool, or trading area.
55. All Licence Holders shall take such precautions as necessary to ensure the safety of the public and themselves when carrying out their business. It is advisable to carry out a simple risk assessment to assess any possible risks and take steps to mitigate or eliminate the identified risk. It may be something as simple as a poorly assembled stall or something placed by the stall that someone may trip over. It is advisable to have in your possession a basic first aid kit and one serviceable mobile phone if the emergency services need to be contacted quickly.
56. Where LPG fueled appliances are used the complete gas installation should be examined for soundness at least once per year and the correct operation of each gas appliance, including any safety devices fitted should be checked annually by a competent person who is a member of an organisation approved by the H.S.E. e.g., is registered with the Council for Registered Gas Installers – CORGI. A copy of the competent persons report must be forwarded with the application.
57. No poster, advertisement, signage or decoration of an unsuitable material or nature shall be displayed, sold, or distributed on or about the vehicle or premises. For the purpose of this condition, material is unsuitable if in the opinion of an Officer of the Council authorised under the appropriate legislation, it is indecent, scandalous, offensive or likely to be harmful to any person likely to apprehend it. Material may also be considered to be unsuitable if it is of such a nature as to distract motorists driving on the highway.
58. All persons selling food shall in addition comply with all relevant Food Safety legislation.
59. The licence holder must inform the Council of a change in his/her home address during the period of the licence within seven days of such a change taking place.
