Acting Assistant Director for Traffic, Transport, and Parking
(The Officer appointed for the purpose)

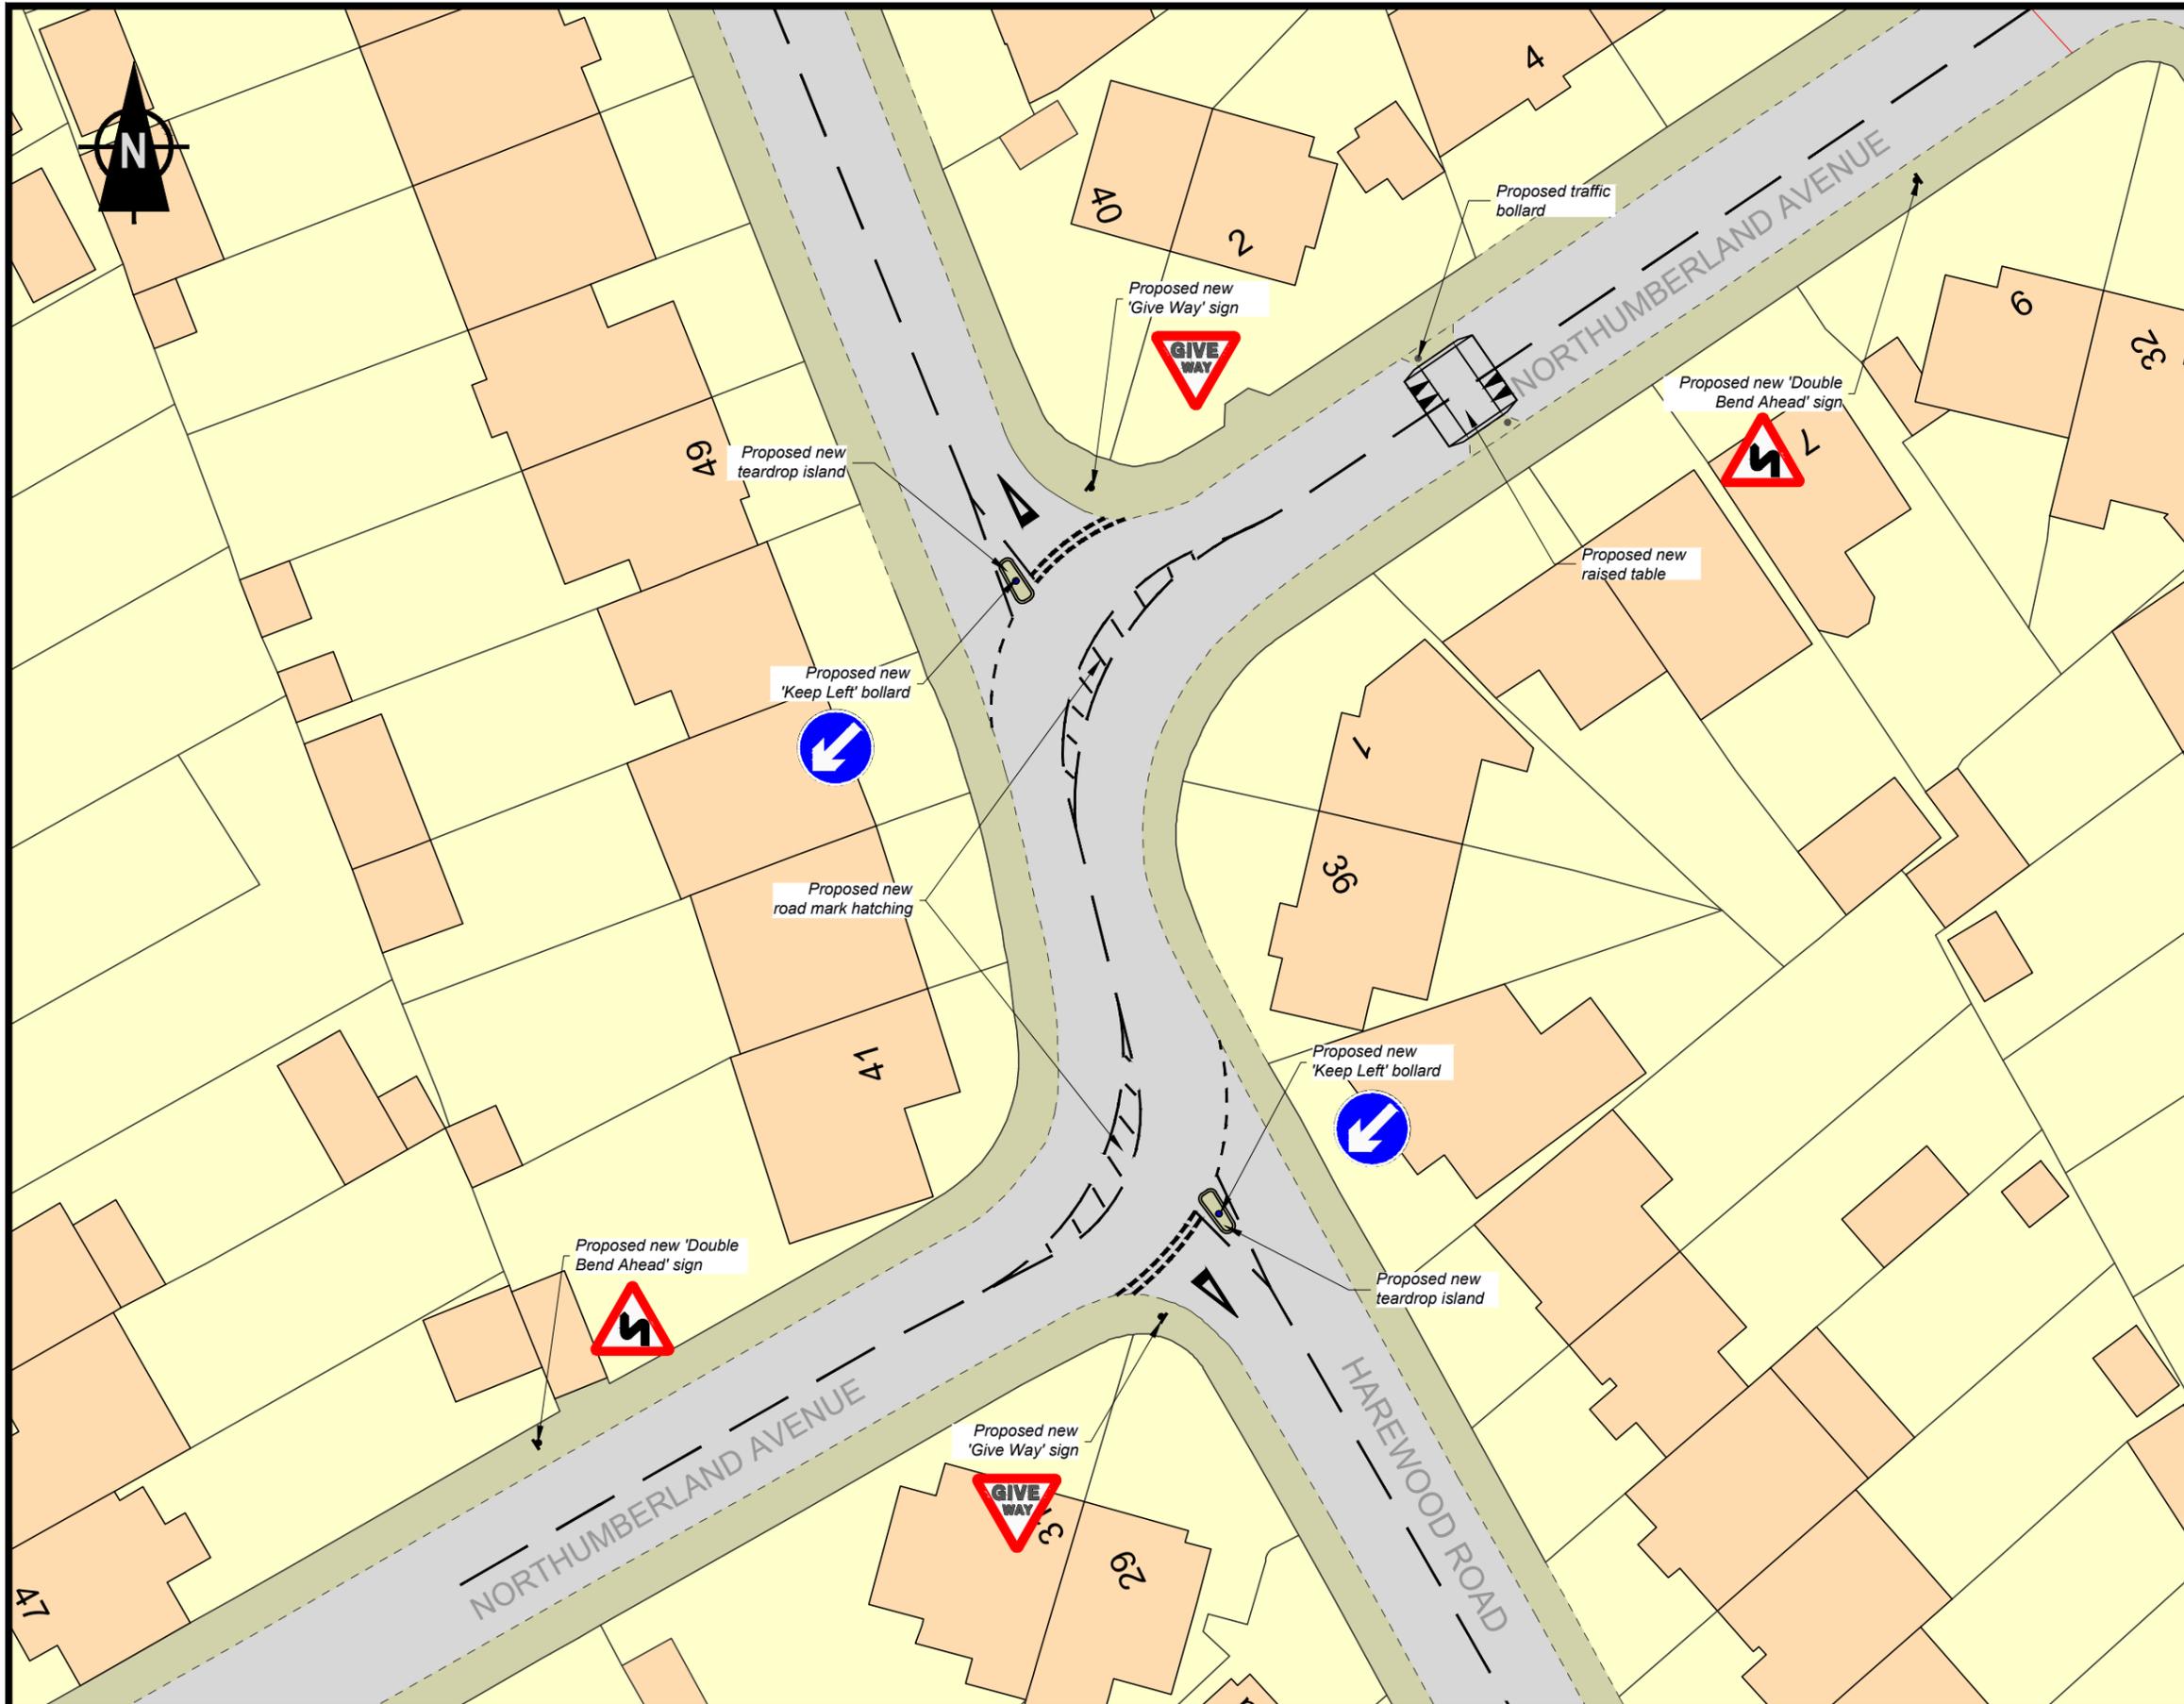

STATEMENT OF REASONS

Proposed Speed Table Northumberland Avenue, Isleworth

The Council is committed to improving road safety and accessibility for all residents. As part of the package of traffic improvements for Hounslow, we have developed a speed table.

This improvement will help reduce vehicle speeds, acting as a permanent speed reduction feature.

Northumberland Avenue currently has a 20-mph speed limit, and this traffic calming measure will help ensure better compliance. The change will also create a level surface, making it easier and safer for pedestrians, wheelchair users, pushchair users, and other vulnerable road users to cross.

NOTES:

- All dimensions in metres unless otherwise stated.
- Clearance of overgrown trees and vegetation obstructing existing road signs may be required to restore full visibility on all approaches

- KEY**
-  New 'Give Way' road marking
 -  New 'Give Way' road sign to be mounted on existing road sign post
 -  New 'Double Bend Ahead' road sign
 -  New 'Keep Left' bollard
 -  Existing road marking to be repainted
 -  Road sign post
 -  Proposed traffic bollard
