1. A minimum unobstructed footpath width of 1.8 metres must be left clear and available and free from obstruction to allow for safe and convenient pedestrian movement. The distance in this respect is to be measured from the edge of the licensed area to any significant amount of street furniture (such as lamp posts, bollards, parking meters, fences etc) or to the kerbside or edge of the road in the absence of any street furniture as described. Where there is heavy pedestrian flow, additional footpath space may be required.
2. In respect of all street trading licences other than pavement café licences, only those tables, stalls, items or displays specifically applied for and authorised on this licence shall be permitted within the designated area. No other furniture of any description, other than litter receptacles shall be placed within the designated area.
3. The licence holder shall keep his trading location and the immediate area in a clean and tidy condition during the permitted hours and at the end of each daily period of use. The holder will ensure that appropriate precautions are taken to prevent the highway from becoming littered as a result of trading activity and shall provide a litter bin for their customers where necessary.
4. In respect of all licences other than for a pavement café all items associated with the display shall be of sufficient quality and strength to be placed outside and shall be capable of withstanding the size, weight and shape of any items placed thereon. There shall be no sharp or jagged edges associated with any part of the display furniture.
5. No display items, tables, chairs, structures or goods associated with the display or pavement café shall be positioned in any way so as to obstruct the sight line of drivers of vehicles in and around the vicinity of the display or pavement café.
6. There shall be no playing of music or any amplified sound to any extent that may be perceived as causing a nuisance to neighbouring premises or any other person in the vicinity. The holder shall not use or permit any music playing, music reproducing or sound amplification apparatus or any musical instruments, radio or television receiving sets whilst trading under this Licence, unless varied by a special condition of this Licence.
7. In the event of a request by a Police Officer, an authorised Officer of the Council or an Officer of a relevant public utility, any tables, chairs, display equipment or goods, shall be removed immediately for whatever period is so required.

9. The term of the licence shall not exceed 6 months from the date of issue.
10. Notice of application for a new or renewal of a street trading licence (including pavement café's) must be displayed in the window of the premises to which it relates, in such a manner so as to be clearly visible from the outside. Such notice must be at least A4 in size and will be displayed for a period of not less than 28 days from the date of application.
11. If possible, this Licence as issued must be displayed in a clearly visible position where it can be read by prospective customers. If this is not possible the Licence must be available for inspection when requested to do so by a Police Officer or authorised Officer of the Council.
12. This licence is not transferable and as such will cease to have effect should the licence holder cease to own or to be employed by the establishment. Unless acting as a Principal Licence Holder, the holder shall not transfer, assign or sublet this Licence, but he may surrender it at any time.
13. The granting of this licence, does not remove the right of the Local Authority to consider and if deemed appropriate, enforce any breaches of Highway Law, particularly that legislation relating to the obstruction of the public highway
14. The holder shall return this Licence to the Council's Licensing Services immediately on revocation or surrender.
15. The holder shall trade strictly in accordance with this Licence.
16. The holder shall notify Licensing Services immediately of any convictions or proceedings arising out of the use of this Licence.
17. The holder shall not cause any obstruction of the street or danger to persons using it. The holder shall not permit persons to gather around him or any van, cart, barrow, other vehicle or stall included in this Licence so as to cause a nuisance, annoyance or danger to any persons lawfully using the street. Trading at the site defined in the Licence to Trade must not cause any risk to public safety and must comply with the conditions detailed in the section of this guide called "Site Assessment".
18. The holder shall not use the street for any trading purpose other than as permitted by this Licence.
19. The holder shall not place on the street any furniture or equipment other than that permitted by this Licence. All such furniture or equipment must be maintained in a clean and tidy condition, and must not obstruct the entrance to, or exit from, any premises.
20. The holder shall not do anything in the street which may cause danger, nuisance or annoyance, damage or inconvenience to the Council, any adjacent/neighbouring premises, or to members of the public.

21. The holder shall indemnify the Council and their agents, servants, workmen etc. from and against all proceedings, damages, claims or expenses in respect of an injury (including personal injury) which may be sustained in connection with the trading pitch and the provision of facilities under this Licence.

26. A Street Trading Licence cannot be transferred or sold to another person except that the Licence may be transferred to a member of the Licence Holder's immediate family in the event of the Licence Holder's death or incapacity on payment of a fee. The sub-letting of a pitch is prohibited. Discuss in relation to permanent stalls.
27. The licence holder must inform the Council of a change in his/her home address during the period of the licence within seven days of such a change taking place.
