Page: Further information

- Outline how the table and chairs will be managed. The tables and chairs will be set out at the start of each trading day and removed and stored securely inside the premises at closing time. A member of staff will be responsible for regularly monitoring the outdoor seating area to ensure it remains clean, safe, and does not obstruct pedestrian movement. Furniture will be positioned to maintain a clear minimum 1.5m pedestrian walkway at all times, in line with council requirements. All items will be kept in good condition and promptly removed during adverse weather.
- Outline how local nuisance will be managed. We are committed to minimising any disturbance to local residents and businesses. Staff will supervise the outdoor area to ensure customers behave respectfully and keep noise levels low, particularly during early morning and evening hours. No amplified music will be played outside. Clear signage will remind customers to be considerate when leaving the premises. The area will be kept clean at all times, with regular clearing of waste to prevent litter, odours, or pests. Any issues raised will be addressed promptly.
- Will the placement of the table and chairs allow for people to pass with a minimum of 1.5m+? Yes
